

## ROBERTSON COUNTY OIL OPERATIONS!

### PRESIDENT LEWIS READY NATION'S COAL STRIKE

Ready to Direct the Strike on March 31, That Will Tie Up the Coal Supply of the United States—Will Be a Great Struggle and Great Loss Economically.

(By Associated Press)

Springfield, Ill., March 29.—A three days rest at his home here today sent International President John L. Lewis of the United Mine Workers back to headquarters at Indianapolis prepared to direct what many miners say will be the union's life struggle. Mr. Lewis left without comment. The coal strike is to be ordered on the night of March 31 and will embrace 600,000 men in the walkout. What are the coal miners asking for in new wage contracts with the operators? Briefly, the anthracite miners want increased wages, the bituminous miners want to retain present basic scales, and the operators in both fields want wage proposals. While both sides include various other demands in their wage proposals, the main issue is wages.

### MERCHANTS ON THREE BLOCKS GIVE \$158.25 TO ARMENIA'S RELIEF

The committees working under Mr. R. S. Webb, Sr., collecting money for the Far East-Armenia Relief Fund, collected a total of \$158.25 from merchants in three blocks on Main Street Wednesday, according to Mr. Jno. A. Moore, Jr., chairman of the campaign. "We are thankful for the liberal donations being given by the people of the city," said Mr. Moore Thursday, "and we are hoping to meet even greater success in our efforts to make the drive go over the top before the end of this week." A report on the amounts collected by the women's canvassing committees will appear in the Eagle from day to day.

**MRS. FAIRMAN RETURNS HOME.**  
Mrs. W. R. Fairman has returned from Waco where her little daughter, Marguerite Ann, is ill at her grandmother's Mrs. S. A. Long, and will remain there until she gets better. Mr. Fairman expects to go to Waco Sunday and bring the little one home if she is able to travel.

**MR. BECKWITH RETURNS.**  
Mr. C. S. Beckwith, representative of Bryan Odd Fellows Lodge, has returned from San Antonio, where a great fraternal meeting was held, and 1500 delegates and Odd Fellows were present.

### Chicken Childress Enters Into Austin Ku Klux Investigation

Austin, Texas, March 29.—"Chicken" Childress, a night jitney driver, arrested Monday night by Sheriff W. D. Miller, on a charge of bootlegging, is to be prosecuted under the Dean prohibition law, according to the sheriff. Heretofore it has been the custom of local peace officers to turn cases involving liquor law violations over to the Federal prohibition officers, but in the Childress case, Sheriff Miller sought to make it plain that prosecution would be waged under the State law, which declares such an offense a felony with punishment in the penitentiary. Childress was in the automobile with Peeler Clayton when Clayton was shot and killed near the entrance to the Ku Klux Hall in this city on the night of Dec. 15, 1921, and he is one of the State's principal witnesses in the investigation of that case. Out of the investigation of the Clayton killing grew the contempt, involving the question whether a grand jury has the power to force witnesses to answer questions as to whether they are members of the Ku Klux Klan.

**Held On Assault Charge.**  
A week after the killing of Clayton, Childress was arrested on a charge of assault to murder, allegations being made that he and other occupants of the Clayton car had fired on four officers who had attempted Clayton's arrest, and that the officers were forced to return fire which resulted in the killing of Clayton. On the same day complaints were filed against the four officers charging them with the Clayton killing, this being subsequent to the arrest

### JUNIORS ARE GUESTS OF SENIORS AT A. & M. COLLEGE

The Junior Class of A. & M. College will be entertained by the Senior Class with presentation of two playlets at the Y. M. C. A. building Thursday night at 8 o'clock. The playlets are "An Easter Message" and "What You Would Do" and every Junior student is urged and invited to be present, whether he has a date or not according to B. Maschke, the social secretary.

### MISS PEEK INSPECTS HOME ECONOMICS DEPARTMENTS

Miss Lillian Peek, state inspector of home economics of the Department of Education at Austin, left Bryan at noon Friday after inspecting the home economics department of Bryan High school today. She inspected the domestic science and domestic art departments and reported that the courses were being taught satisfactorily, the only thing lacking being sufficient textbooks. Thursday she visited the A. & M. Consolidated School at College, and was very favorably impressed with the work being done there.

### CARLOAD MATERIAL HERE FOR COLLEGE ROAD AID.

A carload of road material for improvements to be made at once on the College Road has arrived in Bryan from the Uvalde Rock Asphalt Company at San Antonio, according to County Judge H. O. Ferguson Tuesday. Also iron for the bridge over the Little Brazos River has been received. Construction will begin within a few days.

### CONFERENCE IS HELD WITH FIRE INSURANCE COMPANIES OF TEXAS

A number of special insurance agents representing several of the fire insurance companies doing business in Bryan through their local agents were in Bryan Tuesday and at 1:30 held a meeting at the Chamber of Commerce rooms that lasted two or three hours assuming the shape of a conference. Herbert A. Ford, of San Antonio, state agent of the Springfield, (Mass.) Insurance Company acted as chairman. Besides Mr. Ford the following special agents were present: J. H. Van Amburgh, of Dallas, for Phoenix Insurance Company of Hartford, Conn.; Veron C. Dargon, of Dallas, for National Union Fire Insurance Company of Pittsburgh, Pa.; L. B. Hughes, of Dallas, for Southern Department of North America Co., of Philadelphia; E. J. Slidgton, of Houston, for Republic Insurance of Texas at Dallas; Raymond R. Rice, of Dallas, for Great Southern Life Insurance Company of Dallas; V. B. Wright, of Houston, for Kitchen & Bro. Insurance Co. of New Orleans, La.; Charles Oatman, of Houston, for Phoenix Underwriters and Gilbert H. Hughes, of Houston, for North British and Mercantile Co., and Herbert H. Sutton, of Austin, and chief engineer of Texas Inspection Bureau.

Besides the special agents in the conference were: Mayor Tyler Haswell, City Commissioners L. L. McInnis, Wilson Bradley, E. J. Jenkins, H. A. Burger, Fire Chief J. W. Hamilton, Fire Marshal J. Z. Ramsey, Mrs. C. S. Beckwith, C. R. Gardner, John A. Moore Jr., J. M. Gordan, Harry Jenkins, R. C. Franks, Secretary S. E. Eberstadt, of the Chamber of Commerce and Lee J. Rountree.

### BATTLE ROYAL BOXING BAND CONCERT ALL ON THIS THURSDAY NIGHT

The people of Bryan are going to be treated to a "real, sure enough" entertainment Thursday night, March 30, in the City Auditorium at 7:15 o'clock, rain or shine, hail-storm or tornado, fire or flood. The 38 members of the Junior Band of Bryan are simply "wild and rarin' to go" with their big concert, the biggest they have yet put on in this city. The four members of the John N. Snell Post, Disabled Veterans of the World War, who are to "mix it" with the boxing gloves in high style are in the pink of condition due to a week of intensive training with the mits. The five young negro men who are to furnish the chief drawing card, which is to be a comic "battle royal" are "ready to go."

The "battle royal" is going to bring forth more laughs than blood. It is predicted, as each of the negro boys will be blind-folded before going into the ring, a boxing glove will be placed on one of his hands and a tin-pan or tin can will be put into his other hand. In the ring each man will hit his tin can on the floor, making a noise so that the others will hear him. Then the others will pounce on him with "wim-wig and vitality," each man using only his gloved right hand to do the punching. The last man in the ring will be given the biggest prize but the others will not be neglected. Will you be there? It is all free. Plenty of seats. It commences with the band concert at 7:15 o'clock sharp. No seats reserved. Meet me there.

### GOING TO GALVESTON.

Hon. Oak McKenzie will leave for Galveston tonight with his little son, Oak Jr., who was recently injured in the automobile wreck at Hearne for examination by Dr. Thompson at Sealy Hospital. All are hoping the little fellow will be completely restored to health at an early date.

### GO TO MINERAL WELLS.

Prof. R. O. Allen, City Manager E. E. McAdams, Rev. S. Moylan Bird, Prof. Gabe Cazell and State Agent H. H. Williamson, are expected home Wednesday from Mineral Wells where they attended the State Rotary Convention.

### USE BRICK

Roads and streets paved with Vitri-fied brick will not wear out. Write Thurber Brick Co. Ft. Worth, Texas

### COTTON MARKET

Cotton futures closed 7 to 8 points down today and spots sold on the Bryan market at 16 cents, middling basis.

Franklin, Texas, March 29.

Robertson county is fast developing into an important field for wildcat operations, with nineteen wells now drilling, contracts let or acreage blocked and ready for contract to be let. There are now ten drilling wells in the county, several of which are at interesting depths. Contracts have been let for four others, and acreage has been blocked and details of arranging bonds in preparation for letting drilling contracts almost completed for six other deep tests. Acreage is being blocked in all parts of the county and it is conservatively estimated that more than two-thirds of the entire county is under lease. Trading in leases is already active in some parts of the county as it becomes evident that the county is to be thoroughly tested. The well of the Franklin Oil Association of Oklahoma City, about seven miles northeast of Franklin, now on a fishing job at 3,200 feet, and the well of Quertimont & Maple, known as the Bald Prairie well, in the northeast corner of the county, which is shut down about 3,150 feet, which are the two deepest in the county. The Bald Prairie well, before shutting down, passed through a sand, but it is not believed it is the Woodbine, which is expected to be penetrated nearer to the 3,300-foot level. The Franklin Oil Association well was drilling in a hard formation believed to be the cap rock when a fishing job developed. It is planned to carry both these wells to deeper depths.

### Several Structures Located.

Several good structures have been located in the county, one of which runs east by north near Franklin, and on this structure several companies are preparing to drill. Jones and associates have blocked more than 4,000 acres near Easterly, about six miles east of Franklin, and contract for a deep test has been awarded. Bond has been posted with bankers in Franklin to guarantee the well will go to the contracted depth. Rigg timbers will be moved and derrick erected at once, and it is planned to spud in the well within the next thirty days.

Immediately south of Franklin, the recently organized Meila-Robertson Oil Company, in which several Franklin men are interested, has blocked 3,300 acres of leases and has posted bond to guarantee drilling. This company has had several geologists examine its block of acreage and a location has been made on the Bartholomew tract in the Francis Slaughter survey, about one mile and a half south of Franklin. Derrick will be erected next week, it is announced, and a rotary and standard rig will be provided. The well will be drilled as fast as possible, but it is planned to make a thorough test of all oil showings as the well goes down.

C. W. Cherry of Oklahoma City, who has acquired a block of acreage just west of Franklin, has made a location on Mudd Creek, about two miles west of town and let contract calling for a depth of 3,500 feet. This company is planning to spud in at an early date.

### Activity in South.

In the southern part of the county, MacFadden and associates of Port Arthur spudded in a few days ago and are drilling at 250 feet on the James B. Dunn tract near the old San Antonio and Nacogdoches road of early Texas history fame. Several companies are blocking acreage in the southeastern part of the county near the Navasota River and at least three deep tests are promised on the Jose Maria Viesca survey. The Western portion of the county between the Brazos River and the Little Brazos has been declared by geologists to be very favorably located, and several tests are going down in this section. The fact that Colonel E. A. Humphreys has contracted to drill a deep test just over the county line in Milam county is giving an added interest to the tests in the eastern portion of the county.

E. A. Decherd Jr., is drilling at

### DR. HELD PRESENTED AN AUTOMOBILE BY CITIZENSHIP OF BRYAN

At the last service of the Crimm revival meeting held at the tabernacle on Monday night Rev. B. B. Crimm raised a donation from the congregation for the purchase of an automobile for Dr. John A. Held, pastor of the First Baptist Church for his faithful service during the revival meeting and in all the work of the church. Hon. W. S. Barron states that the committee has decided to purchase a Ford sedan which will be presented to Dr. Held as soon as it arrives. Dr. Held and his church are to be congratulated on the success of the revival and the fraternal and christian spirit which has been exhibited. Dr. Held has justly won the present which has been tendered him.

### GALVESTON CITIZENS ARRESTED ON VARIOUS CRIMINAL CHARGES

(Special to the Eagle)  
Galveston, March 29.—One of the most sensational prohibition raids ever made here occurred early today when a squad of federal agents swooped down upon several resorts in the western part of Galveston and arrested over fifty men and women some being prominent citizens on various charges. For months it has been alleged that Galveston was in open violation of the laws and many officers were not doing their duty.

### EXTENSION PEOPLE WILL VISIT PRAIRIE VIEW STATE NORMAL

College Station, Texas, March 29.—The annual visit of the Extension staff and their families to the Prairie View State Normal and Industrial College will be made Saturday. It is expected that Director T. O. Walton, State Agent H. H. Williamson, all district agents, specialists and assistants of the Extension Service and their families will make the trip to Prairie View on that day. They will go in automobiles leaving the College early in the morning and returning in the evening. President Bizzell is being urged to go and probably shall. The custom of the Prairie View officials of spreading a picnic dinner in the college mess hall will be followed again this year according to information that has been received and such news is no weak inducement of those included in the invitation to be present. Following the dinner a program previously arranged with the purpose of creating a more intimate understanding of the extension work being done by the staff of negro workers will be followed. Talks will be made by Director Walton, Mr. Williamson and others commenting on the past work and proposing more enthusiasm and new ideals for work in the future. It is planned by the A. & M. Extension force to carry a lunch which will be eaten in picnic style at some picturesque spot of country on the return trip that night. The committee in charge of arrangements for the trip comprises D. L. Weddington, C. M. Evans, and A. W. Buchanan.

### RETURN FROM HOUSTON

John F. Ettle, Hon. F. L. Henderson, J. E. Covey, Hon. Lamar Betha, N. A. Stewart, Dr. J. R. Hunnicutt, Joe Cash, Joe M. Saladiner, Sheriff L. E. Morehead, Chief W. S. Martin, C. E. Bert Jones, Guy F. Bayett, Al Carr and perhaps others have returned from Houston where they have been on business missions.

1,250 feet near Calvert, and the drill has encountered several oil showings. Near Bremond, The Pearce Petroleum Company is drilling at about 2,400 feet just over the line in Falls county. This company encountered a shallow sand at 600 feet, but as it was under contract to drill a deep test, the shallow sand was passed in the first well. However the company has spudded in a shallow test near the deep hole and is now drilling just below 300 feet with cable tools with a view to testing the shallow sand. Indications were that the shallow sand will produce about fifty barrels or more. Several other tests are drilling near Bremond, and trading in that corner of the county is active.

### CRIMM REVIVAL MEETING BRINGS 457 TO CHURCHES

Monday Night Rev. Crimm Left For Cleveland, Ohio—Bryan Pastors' Association Presents Resolutions of Appreciation Through Rev. W. N. Sholl of Bryan.

Rev. B. B. Crimm closed the revival meeting at the Tabernacle Monday night and the following results are reported: Baptist, 117 conversions and 173 reconsecrations. Total 290, Methodist church, 24 conversions and 34 reconsecrations, total 58. Free Will Baptist, 7 conversions and 23 reconsecrations, Total 30. Presbyterian conversions 2, reconsecrations, Total 9. Out of town members, 56. This makes a total of 154 conversions and 303 for reconsecration and a grand total for the meeting, 457.

### RESOLUTIONS OF APPRECIATION ADOPTED.

Rev. W. N. Sholl, pastor of the Presbyterian church, for the Bryan Pastors' Association, offered the following resolutions to the congregation which had been adopted by the association: "We the Pastors' Association of Bryan, Texas, on this, the last day of the great revival campaign that has been going on in our city the past three weeks desire to express our appreciation of these wonderful services. Though begun as a Baptist meeting, and continued throughout under the auspices of the Baptist people, this campaign has reached out and touched, with great power for good, all the churches connected with this association and many of our fellow-citizens who have formerly had no church affiliation. The desire to commend our friend and brother, Rev. B. B. Crimm, who for the past three weeks has so passionately preached the gospel and labored with apostolic zeal for the salvation of souls regardless of denominational lines. We believe that his faithful work and his plain burning messages delivered in his own unique style, and in the power of the Holy Spirit will bear rich spiritual fruit for many days to come, and that he will leave Bryan a better town than he found it. We desire also to express our appreciation of his splendid party of co-workers. We have found them most congenial fellow-workers in the kingdom and believe that each of them have contributed greatly to the success of this campaign. We bid all of these earnest workers an affectionate God-speed, and prayerfully wish them still greater success in their future labors."

### SECRETARY EBERSTADT EXPLAINS B. & L. STOCK

Secretary S. E. Eberstadt, of the Bryan Building and Loan Association will go to College Station on Wednesday, March 29 at 2 o'clock in the afternoon and will explain the proposed sale of \$250,000 of stock to be known as Series No. 3 and will be there until 5 o'clock at the Publicity Office at College. Any one contemplating purchasing stock this will be the opportunity to learn of its work and mission. Mr. Eberstadt will devote all day Thursday in his office in Bryan to explain the new issue of stock. Mr. Eberstadt states that he expects to explain this matter before the sale of stock begins as he will not have time to explain the question on the day that the stock will be really sold as he wishes to make a record of the selling all the issue in a day of eight hours work.

### TO SEE THAT CATTLE FROM TEXAS CAN GO THROUGH OKLAHOMA

Fort Worth, Texas, March 29.—Unless Oklahoma's Board of Agriculture rescinds the cattle quarantine rule effective April 1st, prohibition of passage of Texas stock through Oklahoma, the Live Stock Sanitary Commission of Texas will institute legal proceeding, Chairman Boog-Scott announced.

### BUCK SMITH, NEGRO, JAILED FOR BEATING HIS WIFE.

Buck Smith, a negro, was arrested on a charge of beating his wife, by Deputy Sheriff H. T. Wheelless Tuesday morning. He was placed in the county jail on complaint of his wife. The negro lives in Bryan.

### Farming Conditions In County Best in Years Says Walker

"Farming conditions in Brazos county are better right now than they have been in ten years, the farmers have a good stand of corn, the land is in good shape and climatic conditions have been more than favorable for bumper crops this year. If a frost just does not come along in April and cause many to have to replant everything will be 'setting pretty,'" said Mr. C. G. Walker, prominent feed dealer of Bryan Wednesday. Mr. Walker has been out over the county from one end of it to the other lately and says that the soil is in good condition and there has been sufficient rainfall to make every farmer happy. Feed and seed prices for April will probably remain on a level with the prices for March, he asserted. Quotations during February were 10 per cent cheaper than this month due to increased demand during March. Quotations for March per 100 pound sack are: Alfalfa meals, \$1.85; ground oats, \$2.25; ground barley, \$2.25; ground maize, \$1.75; ground corn meal, \$1.75; corn chops, \$1.75; whole maize, \$1.60; ground maize, \$1.60; wheat bran, 1.70; shorts, \$1.85. Oats is worth 55 cents a bushel; shucked corn, 80 cents per bushel; shelled corn, 90 cents; alfalfa \$30 per ton; bermuda, \$20 per ton; prairie hay, \$18; maize, \$26 per ton. Chicken feeds are reasonable in price, ranging from \$1.60 to \$3.50. Cotton seed is selling for \$1.75 per bushel. Cotton seed meal brings \$2.75 per 100 pound sack. Garden and field seeds are quoted as follows: Turnip seed, 50 cents rape seed, 25 cents; Sudan, federita, maize, kafir and millet, five cents each; alfalfa seed, 20 cents; bermuda grass, 75 cents; black-eyed peas, 10 cents; whippoorwill, 7 cents; sunflower seed, 25 cents. "It is encouraging to see that the people of this county are taking such an active interest in poultry raising," Mr. Walker said. "Eggs are now worth 15 cents a dozen, fryers 30 cents and hens 20 cents." Another new industry growing here is dairying. This is commendable also, as dairying can always be depended upon for a regular monthly income. Butter is selling at 45 cents a pound at present in Bryan. Dairying has grown greatly in Brazos county during the past five or six years. Mr. Walker explained. In the farming country north of San Antonio the dairies have multiplied marvelously in numbers, there being so many of them that there are many truck lines carrying nothing but milk and cream to the city. In many instances farmers around Leon Springs, Boerne and Comfort have turned to the dairy exclusively, deciding that farming is "too risky." It might be explained, however, that soil there is not as good as that in Brazos county.

## ROBERTSON COUNTY OIL OPERATIONS!

### PRESIDENT LEWIS READY NATION'S COAL STRIKE

Ready to Direct the Strike on March 31, That Will Tie Up the Coal Supply of the United States—Will Be a Great Struggle and Great Loss Economically.

(By Associated Press)

Springfield, Ill., March 29.—A three days rest at his home here today sent International President John L. Lewis of the United Mine Workers back to headquarters at Indianapolis prepared to direct what many miners say will be the union's life struggle. Mr. Lewis left without comment. The coal strike is to be ordered on the night of March 31 and will embrace 600,000 men in the walkout. What are the coal miners asking for in new wage contracts with the operators? Briefly, the anthracite miners want increased wages, the bituminous miners want to retain present basic scales, and the operators in both fields want wage proposals. While both sides include various other demands in their wage proposals, the main issue is wages.

### MERCHANTS ON THREE BLOCKS GIVE \$158.25 TO ARMENIA'S RELIEF

The committees working under Mr. R. S. Webb, Sr., collecting money for the Far East-Armenia Relief Fund, collected a total of \$158.25 from merchants in three blocks on Main Street Wednesday, according to Mr. Jno. A. Moore, Jr., chairman of the campaign. "We are thankful for the liberal donations being given by the people of the city," said Mr. Moore Thursday, "and we are hoping to meet even greater success in our efforts to make the drive go over the top before the end of this week." A report on the amounts collected by the women's canvassing committees will appear in the Eagle from day to day.

**MRS. FAIRMAN RETURNS HOME.**  
Mrs. W. R. Fairman has returned from Waco where her little daughter, Marguerite Ann, is ill at her grandmother's Mrs. S. A. Long, and will remain there until she gets better. Mr. Fairman expects to go to Waco Sunday and bring the little one home if she is able to travel.

**MR. BECKWITH RETURNS.**  
Mr. C. S. Beckwith, representative of Bryan Odd Fellows Lodge, has returned from San Antonio, where a great fraternal meeting was held, and 1500 delegates and Odd Fellows were present.

### Chicken Childress Enters Into Austin Ku Klux Investigation

Austin, Texas, March 29.—"Chicken" Childress, a night jitney driver, arrested Monday night by Sheriff W. D. Miller, on a charge of bootlegging, is to be prosecuted under the Dean prohibition law, according to the sheriff. Heretofore it has been the custom of local peace officers to turn cases involving liquor law violations over to the Federal prohibition officers, but in the Childress case, Sheriff Miller sought to make it plain that prosecution would be waged under the State law, which declares such an offense a felony with punishment in the penitentiary. Childress was in the automobile with Peeler Clayton when Clayton was shot and killed near the entrance to the Ku Klux Hall in this city on the night of Dec. 15, 1921, and he is one of the State's principal witnesses in the investigation of that case. Out of the investigation of the Clayton killing grew the contempt, involving the question whether a grand jury has the power to force witnesses to answer questions as to whether they are members of the Ku Klux Klan.

**Held On Assault Charge.**  
A week after the killing of Clayton, Childress was arrested on a charge of assault to murder, allegations being made that he and other occupants of the Clayton car had fired on four officers' arrest, and that the officers were forced to return fire which resulted in the killing of Clayton. On the same day complaints were filed against the four officers charging them with the Clayton killing, this being subsequent to the arrest

of seventeen Austin citizens charged with complicity in the tragedy. The four officers, Childress and Barney Blunt, also alleged to have been in the Clayton car, and also charged with assault to murder, were bound over to the grand jury. The four officers include the chief of detectives of the Austin Police Department, a Federal prohibition agent, the custodian of Camp Mabry and an Austin policeman. The bootlegging complaint filed yesterday against Childress in Justice M. M. Johnson's court was sworn to by Deputy Sheriff J. E. McCoy and a charge that Childress "had in his possession for the purpose of sale and did sell intoxicating liquor." Immediately following his arrest, Childress was locked up in the county jail. Sheriff Miller said that he was assisted in making the arrest by Deputy Sheriff T. O. Fox and Officer D. J. Reese, the latter from Brownwood.

**Evidence Is Seized.**  
Sheriff Miller said that he had seized two pints of whisky to be used as evidence in the prosecution, and that the liquor had been locked up in the safe in his office. He asserted that the man to whom the liquor is alleged to have been sold would be produced in court to testify for the State, but at this time the sheriff deemed it unwise to reveal the man's name, saying that "it is to the best interest of the prosecution not to make public the identity of the man who purchased the whisky." The sheriff said the alleged sale of liquor was made in an alley in the business section of the city.

### CONFERENCE IS HELD WITH FIRE INSURANCE COMPANIES OF TEXAS

A number of special insurance agents representing several of the fire insurance companies doing business in Bryan through their local agents were in Bryan Tuesday and at 1:30 held a meeting at the Chamber of Commerce rooms that lasted two or three hours assuming the shape of a conference. Herbert A. Ford, of San Antonio, state agent of the Springfield, (Mass.) Insurance Company acted as chairman. Besides Mr. Ford the following special agents were present: J. H. Van Amburgh, of Dallas, for Phoenix Insurance Company of Hartford, Conn.; Veron C. Dargon, of Dallas, for National Union Fire Insurance Company of Pittsburgh, Pa.; L. B. Hughes, of Dallas, for Southern Department of North America Co., of Philadelphia; E. J. Slidgton, of Houston, for Republic Insurance of Texas at Dallas; Raymond R. Rice, of Dallas, for Great Southern Life Insurance Company of Dallas; V. B. Wright, of Houston, for Kitchen & Bro. Insurance Co. of New Orleans, La.; Charles Oatman, of Houston, for Phoenix Underwriters and Gilbert H. Hughes, of Houston, for North British and Mercantile Co., and Herbert H. Sutton, of Austin, and chief engineer of Texas Inspection Bureau.

Besides the special agents in the conference were: Mayor Tyler Haswell, City Commissioners L. L. McInnis, Wilson Bradley, E. J. Jenkins, H. A. Burger, Fire Chief J. W. Hamilton, Fire Marshal J. Z. Ramsey, Mrs. C. S. Beckwith, C. R. Gardner, John A. Moore Jr., J. M. Gordan, Harry Jenkins, R. C. Franks, Secretary S. E. Eberstadt, of the Chamber of Commerce and Lee J. Rountree.

### BATTLE ROYAL BOXING BAND CONCERT ALL ON THIS THURSDAY NIGHT

The people of Bryan are going to be treated to a "real, sure enough" entertainment Thursday night, March 30, in the City Auditorium at 7:15 o'clock, rain or shine, hail-storm or tornado, fire or flood. The 38 members of the Junior Band of Bryan are simply "wild and rarin' to go" with their big concert, the biggest they have yet put on in this city. The four members of the John N. Snell Post, Disabled Veterans of the World War, who are to "mix it" with the boxing gloves in high style are in the pink of condition due to a week of intensive training with the mits. The five young negro men who are to furnish the chief drawing card, which is to be a comic "battle royal" are "ready to go."

The "battle royal" is going to bring forth more laughs than blood. It is predicted, as each of the negro boys will be blind-folded before going into the ring, a boxing glove will be placed on one of his hands and a tin-pan or tin can will be put into his other hand. In the ring each man will hit his tin can on the floor, making a noise so that the others will hear him. Then the others will pounce on him with "wim-wigor and vitality," each man using only his gloved right hand to do the punching. The last man in the ring will be given the biggest prize but the others will not be neglected. Will you be there? It is all free. Plenty of seats. ### COTTON MARKET

Cotton futures closed 7 to 8 points down today and spots sold on the Bryan market at 16 cents, middling basis.

Franklin, Texas, March 29.—Robertson county is fast developing into an important field for wildcat operations, with nineteen wells now drilling, contracts let or acreage blocked and ready for contract to be let. There are now ten drilling wells in the county, several of which are at interesting depths. Contracts have been let for four others, and acreage has been blocked and details of arranging bonds in preparation for letting drilling contracts almost completed for six other deep tests. Acreage is being blocked in all parts of the county and it is conservatively estimated that more than two-thirds of the entire county is under lease. Trading in leases is already active in some parts of the county as it becomes evident that the county is to be thoroughly tested. The well of the Franklin Oil Association of Oklahoma City, about seven miles northeast of Franklin, now on a fishing job at 3,200 feet, and the well of Quertimont & Maple, known as the Bald Prairie well, in the north-east corner of the county, which is shut down about 3,150 feet, which are the two deepest in the county. The Bald Prairie well, before shutting down, passed through a sand, but it is not believed it is the Woodbine, which is expected to be penetrated nearer to the 3,300-foot level. The Franklin Oil Association well was drilling in a hard formation believed to be the cap rock when a fishing job developed. It is planned to carry both these wells to deeper depths.

#### Several Structures Located.

Several good structures have been located in the county, one of which runs east by north near Franklin, and on this structure several companies are preparing to drill. Jones and associates have blocked more than 4,000 acres near Easterly, about six miles east of Franklin, and contract for a deep test has been awarded. Bond has been posted with bankers in Franklin to guarantee the well will go to the contracted depth. Rig timbers will be moved and derrick erected at once, and it is planned to spud in the well within the next thirty days.

Immediately south of Franklin, the recently organized Mexico-Robertson Oil Company, in which several Franklin men are interested, has blocked 3,300 acres of leases and has posted bond to guarantee drilling. This company has had several geologists examine its block of acreage and a location has been made on the Bartholomew tract in the Francis Slaughter survey, about one mile and a half south of Franklin. Derrick will be erected next week, it is announced, and a rotary and standard rig will be provided. The well will be drilled as fast as possible, but it is planned to make a thorough test of all oil showings as the well goes down.

C. W. Cherry of Oklahoma City, who has acquired a block of acreage just west of Franklin, has made a location on Mudd Creek, about two miles west of town and let contract calling for a depth of 3,500 feet. This company is planning to spud in at an early date.

#### Activity in South.

In the southern part of the county, MacFadden and associates of Port Arthur spudded in a few days ago and are drilling at 250 feet on the James B. Dunn tract near the old San Antonio and Nacogdoches road of early Texas history fame. Several companies are blocking acreage in the southeastern part of the county near the Navasota River and at least three deep tests are promised on the Jose Maria Viesca survey. The Western portion of the county between the Brazos River and the Little Brazos has been declared by geologists to be very favorably located, and several tests are going down in this section. The fact that Colonel E. A. Humphreys has contracted to drill a deep test just over the county line in Milam county is giving an added interest to the tests in the eastern portion of the county.

E. A. Decherd Jr., is drilling at

### DR. HELD PRESENTED AN AUTOMOBILE BY CITIZENSHIP OF BRYAN

At the last service of the Crimm revival meeting held at the tabernacle on Monday night Rev. B. B. Crimm raised a donation from the congregation for the purchase of an automobile for Dr. John A. Held, pastor of the First Baptist Church for his faithful service during the revival meeting and in all the work of the church. Hon. W. S. Barron states that the committee has decided to purchase a Ford sedan which will be presented to Dr. Held as soon as it arrives. Dr. Held and his church are to be congratulated on the success of the revival and the fraternal and christian spirit which has been exhibited. Dr. Held has justly won the present which has been tendered him.

### GALVESTON CITIZENS ARRESTED ON VARIOUS CRIMINAL CHARGES

(Special to the Eagle)  
Galveston, March 29.—One of the most sensational prohibition raids ever made here occurred early today when a squad of federal agents swooped down upon several resorts in the western part of Galveston and arrested over fifty men and women some being prominent citizens on various charges. For months it has been alleged that Galveston was in open violation of the laws and many officers were not doing their duty.

### EXTENSION PEOPLE WILL VISIT PRAIRIE VIEW STATE NORMAL

College Station, Texas, March 29.—The annual visit of the Extension staff and their families to the Prairie View State Normal and Industrial College will be made Saturday. It is expected that Director T. O. Walton, State Agent H. H. Williamson, all district agents, specialists and assistants of the Extension Service and their families will make the trip to Prairie View on that day. They will go in automobiles leaving the College early in the morning and returning in the evening. President Bizzell is being urged to go and probably shall. The custom of the Prairie View officials of spreading a picnic dinner in the college mess hall will be followed again this year according to information that has been received and such news is no weak inducement of those included in the invitation to be present. Following the dinner a program previously arranged with the purpose of creating a more intimate understanding of the extension work being done by the staff of negro workers will be followed. Talks will be made by Director Walton, Mr. Williamson and others commenting on the past work and proposing more enthusiasm and new ideals for work in the future. It is planned by the A. & M. Extension force to carry a lunch which will be eaten in picnic style at some picturesque spot of country on the return trip that night. The committee in charge of arrangements for the trip composed of L. L. Weddington, C. M. Evans and A. W. Buchanan.

#### RETURN FROM HOUSTON

John F. Ettle, Hon. F. L. Henderson, J. E. Covey, Hon. Lamar Bether, N. A. Stewart, Dr. J. R. Hunnicutt, Joe Cash, Joe M. Saladiner, Sheriff L. E. Morehead, Chief W. S. Martin, C. E. Bert Jones, Guy F. Bayett, Allen Carr and perhaps others have returned from Houston where they have been on business missions.

1,250 feet near Calvert, and the drill has encountered several oil showings. Near Bremond, The Pearce Petroleum Company is drilling at about 2,400 feet just over the line in Falls county. This company encountered a shallow sand at 600 feet, but as it was under contract to drill a deep test, the shallow sand was passed in the first well. However the company has spudded in a shallow test near the deep hole and is now drilling just below 300 feet with cable tools with a view to testing the shallow sand. Indications were that the shallow sand will produce about fifty barrels or more. Several other tests are drilling near Bremond, and trading in that corner of the county is active.

### CRIMM REVIVAL MEETING BRINGS 457 TO CHURCHES

Monday Night Rev. Crimm Left For Cleveland, Ohio—Bryan Pastors' Association Presents Resolutions of Appreciation Through Rev. W. N. Sholl of Bryan.

Rev. B. B. Crimm closed the revival meeting at the Tabernacle Monday night and the following results are reported: Baptist, 117 conversions and 173 reconsecrations. Total 290. Methodist church, 24 conversions and 34 reconsecrations, total 58. Free Will Baptist, 7 conversions and 23 reconsecrations. Total 30. Presbyterian conversions 2, reconsecrations, 12. Total 14. Christian church, 4 conversions, 5 reconsecrations. Total 9. Out of town members, 56. This makes a total of 154 conversions and 303 for reconsecration and a grand total for the meeting, 457.

#### RESOLUTIONS OF APPRECIATION ADOPTED.

Rev. W. N. Sholl, pastor of the Presbyterian church, for the Bryan Pastors' Association, offered the following resolutions to the congregation which had been adopted by the association: "We the Pastors' Association of Bryan, Texas, on this, the last day of the great revival campaign that has been going on in our city the past three weeks desire to express our appreciation of these wonderful services. Though begun as a Baptist meeting, and continued throughout under the auspices of the Baptist people, this campaign has reached out and touched, with great power for good, all the churches connected with this association and many of our fellow-citizens who have formerly had no church affiliation. The desire to commend our friend and brother, Rev. B. B. Crimm, who for the past three weeks has so passionately preached the gospel and labored with apostolic zeal for the salvation of souls regardless of denominational lines. We believe that his faithful work and his plain burning messages delivered in his own unique style, and in the power of the Holy Spirit will bear rich spiritual fruit for many days to come, and that he will leave Bryan a better town than he found it. We desire also to express our appreciation of his splendid party of co-workers. We have found them most congenial fellow-workers in the kingdom and believe that each of them have contributed greatly to the success of this campaign. We bid all of these earnest workers an affectionate God-speed, and prayerfully wish them still greater success in their future labors."

### SECRETARY EBERSTADT EXPLAINS B. & L. STOCK

Secretary S. E. Eberstadt, of the Bryan Building and Loan Association will go to College Station on Wednesday, March 29 at 2 o'clock in the afternoon and will explain the proposed sale of \$250,000 of stock to be known as Series No. 3 and will be there until 5 o'clock at the Publicity Office at College. Any one contemplating purchasing stock this will be the opportunity to learn of its work and mission. Mr. Eberstadt will devote all day Thursday in his office in Bryan to explain the new issue of stock. Mr. Eberstadt states that he expects to explain this matter before the sale of stock begins as he will not have time to explain the question on the day that the stock will be really sold as he wishes to make a record of selling all the issue in a day of eight hours work.

### TO SEE THAT CATTLE FROM TEXAS CAN GO THROUGH OKLAHOMA

Fort Worth, Texas, March 29.—Unless Oklahoma's Board of Agriculture rescinds the cattle quarantine rule effective April 1st, prohibition of passage of Texas stock through Oklahoma, the Live Stock Sanitary Commission of Texas will institute legal proceeding, Chairman Boog-Scott announced.

### BUCK SMITH, NEGRO, JAILED FOR BEATING HIS WIFE.

Buck Smith, a negro, was arrested on a charge of beating his wife, by Deputy Sheriff H. T. Wheeler Tuesday morning. He was placed in the county jail on complaint of his wife. The negro lives in Bryan.

### Farming Conditions In County Best in Years Says Walker

"Farming conditions in Brazos county are better right now than they have been in ten years, the farmers have a good stand of corn, the land is in good shape and climatic conditions have been more than favorable for bumper crops this year. If a frost just does not come along in April and cause many to have to replant everything will be 'setting pretty,'" said Mr. C. G. Walker, prominent feed dealer of Bryan Wednesday. Mr. Walker has been out over the county from one end of it to the other lately and says that the soil is in good condition and there is in good condition rainfall to make every farmer happy. Feed and seed prices for April will probably remain on a level with the prices for March, he asserted. Quotations during February were 10 per cent cheaper than this month due to increased demand during March. Quotations for March per 100 pound sack are: Alfalfa meals, \$1.85; ground oats, \$2.25; ground barley, \$2.25; ground maize, \$1.75; ground corn meal, \$1.75; corn chops, \$1.75; whole maize, \$1.60; ground maize, \$1.60; wheat bran, 1.70; shorts, \$1.85. Oats is worth 55 cents a bushel; shucked corn, 80 cents per bushel; shelled corn, 90 cents; alfalfa \$30 per ton; bermuda, \$20 per ton; prairie hay, \$18; maize, \$26 per ton. Chick feeds are reasonable in price, ranging from \$1.60 to \$3.50. Cotton seed is selling for \$1.75

per bushel. Cotton seed meal brings \$2.75 per 100 pound sack. Garden and field seeds are quoted as follows: Turnip seed, 50 cents rape seed, 25 cents; Sudan, federita, maize, kafir and millet, five cents each; alfalfa seed, 20 cents; bermuda grass, 75 cents; black-eyed peas, 10 cents; whippoorwill, 7 cents; sunflower seed, 25 cents.

"It is encouraging to see that the people of this county are taking such an active interest in poultry raising," Mr. Walker said. "Eggs are now worth 15 cents a dozen, fryers 30 cents and hens 20 cents." Another new industry growing here is dairying. This is commendable also, as dairying can always be depended upon for a regular monthly income. Butter is selling at 45 cents a pound at present in Bryan. Dairying has grown greatly in Brazos county during the past five or six years. Mr. Walker explained.

In the farming country north of San Antonio the dairies have multiplied marvelously in numbers, there being so many of them that there are many truck lines carrying nothing but milk and cream to the city. In many instances farmers around Leon Springs, Boerne and Comfort have turned to the dairy exclusively, deciding that farming is "too risky." It might be expected as good as that in Brazos, plained, however, that soil there

Additional names not previously published who have become members: Leigh, Mrs. Maude; Clarke, Mrs. Luther; Chatham, R. K.; Tilton, Mrs. P. S.; Coulter, Mrs. J. W.; Covey, Mrs. J. E.; Compton, R. B.; W. B. Tucker. Shreveport, La.; Mrs. G. D. Tucker and Mrs. Albert Buchanan.

Entered at the postoffice at Bryan, Texas, April 28, 1911, as second class matter under act of congress March 3, 1879.

WEEKLY EAGLE—In Brazos County: \$1.00 per year; six months, \$1.00. Published Thursday.

WEEKLY EAGLE—Outside of Texas: \$2.00 per year, \$1.25 for six months.

MEMBER OF ASSOCIATED PRESS

Brazos County is now a perfect garden of Eden and prospects were never better. Let's go.

This is the time of year when many of us would be glad to emulate the example of Judge Kenesaw Mountain Landis and give all our attention to baseball.

Anyway Sunshine Joe Webb of Waco; Joe Taylor, of Dallas and George M. Bailey, of Houston, have not gone on a strike. When they do they will eat up all the peanuts in the country and the price will double.

Too many men are ready and anxious to live off the misfortunes and donations from others. To do a real honest day's work would be an impossibility as long as they can live by advising men against their best interests. It's so easy.

"Eleven Railroads in the South Fail to Earn Operating Expenses," says the headline. If every business in this country was conducted in the manner of some railroads and other big corporations none of them would pay expenses. Too many men are only drawing their breath and their salaries and expect the people to pay the bills.

Mayor Haswell, of Bryan, and Mayor Shanks of Indianapolis are now members of the "Flowers for the living club." That's fine. We are one of the charter members and organizers of the club at Chicago in 1913. Let the good work go on.

The Galveston News of March 27, 1872, fifty years ago, says: "According to the argument of Rev. R. C. Burleson in his discourse at the Baptist church in Brenham on Sunday night last, the millennium is to take place and Christ is to reign again on earth with his people in just twenty-eight years."

Col. John T. Rankin, of Brenham, has celebrated his 81st birthday. Colonel Rankin who was the founder of the Brenham Banner more than fifty years ago and is now secretary of Green's Texas Brigade, C. S. A., is still writing for the newspapers and is justice of the peace at Brenham. He is one of the heroic men of the South and loyal citizen of Texas and his friends are legion—and they wish him many more years of usefulness.

The Lockhart Post-Register says: "Editor Lee Rountree, editor of the Bryan Eagle and representative from Brazos County, would make a good lieutenant governor for Texas. Editor Rountree has in one way or another done much for the State of Texas and has been the recipient of few honors, because he has not asked anything, not being an office seeker. He is a gentleman of the old school, is possessed of a high order of intelligence—in fact, has every qualification for a useful official and one of whom this great commonwealth could well be proud. He should get into the race and can be elected and has many friends in Caldwell County who will support him loyally."

#### NEWSPAPERS.

(Waco News-Tribune)  
In two months more than 150 newspapers have suspended publication in Germany, on account of the high price of paper. This is the worst form of social decay. The whole structure of civilization rests on the printing press. Newspapers are run by human beings who are apt to make mistakes, like every one else. But eliminate all the newspapers and human intercourse and knowledge of far-off occurrences would practically cease. Wouldn't take many years of such a condition to turn the clock back several centuries. No newspaper can really perform its full mission until it becomes not only a business but an institution for the general good.

#### METHODIST DISTRICT

##### CONFERENCE AT HEARNE

(Hearne Democrat)

Our little city was thronged with visitors this week in attendance on the Marlin District Conference which was in session at the Methodist church from Monday until Thursday, with Rev. C. T. Tally presiding at the business sessions. Prominent visiting ministers of the Texas Conference delivered sermons at the eleven o'clock hour each day and again at night. The delegates and ministers were entertained, during their stay, in the hospitable homes in the city. A full account of the proceedings of the conference will be given in our columns next week. In addition to ministers of the district, the following ministers of the different conferences were present: Rev. H. C. Willis, of Bryan; Rev. A. T. Walker, of Conroe; Rev. J. W. Mills, of Beaumont; Dr. R. W. Adams, of Houston; Rev. Glenn Flynn, of Houston; Rev. D. H. Hotchkiss, of Humble.

Prof. Roy Boger, president of Alexander College at Jacksonville, was among the prominent attendants, also Dr. H. D. Knickerbocker and Rev. I. F. Betts, of Marlin, district representatives.

## PUBLIC SCHOOL SYSTEM IS TOTTERING

(By Lee J. Rountree)

The public school system of Texas has been constructed by piece-meal hence Texas stands 39th in educational activities. When Texas came into the Union (because really it was never annexed as other states) this state reserved the right of eminent domain for educational and other purposes. Her public lands have been sold or leased at a very nominal figure. A vast empire has gone for a few paltry dollars. To illustrate this the land donated for erection of the present state capitol to the Chicago Syndicate was 3,000,000 acres, supposed to be worth \$3,000,000. That land is now valued at \$150,000,000. So it is with the other dispositions of public lands and enough lands and remission of taxes for twenty-five years built the International & Great Northern railroad. But there is no use to recite these mistakes that have been made by legislative enactment in Texas during the past.

The vast public domain set aside for educational purposes is now a mere bagatelle. The \$3,000,000 common school funds appropriated by the 37th Legislature to which is to be added the sum of \$2,500,000 for rural aid for two years and added special funds for 1922-23 will only allow a per capita of \$10.50. This is a drop from about \$14 per capita. Something must be done or the public schools of Brazos county and the entire state of Texas will materially suffer. Next year will be the crucial test or the crisis.

Politicians and short-sighted people have quibbled over the educational problems and have failed. The average person now is poorly educated, trained and equipped for work, business or the professions. Our educational system is a make-shift, a snare and delusion. Inefficiency stalks everywhere. Of the 48 states in the American union Texas stands 39th in education and there are only nine states below her. What are we going to do about it? This question was asked the Eagle by County Superintendent Eck Smith, of Brazos county. As long as we have a system of education that will give the child on one side of the highway three months' public school training and perhaps on the other side of the same road in the same county children will receive six or perhaps nine months of public school training there is something radically wrong. Every child in the commonwealth of Texas should have the same chance of winning knowledge. Texas has amended and patched her constitution until it is almost a joke—a public calamity. Texas needs a new deal to take her place among the great states of the Union. The public schools of Texas must be maintained on a basis of equity and every child must have the same chance based upon attendance and not on enrollment and the public school houses of Texas, fully equipped and with a force of militant teachers for nine months in the year. An uneducated and untrained citizenship for the future means disaster and a decaying citizenship. The time has come in Texas for a new deal and a new constitution to meet the demands of the new conditions and perpetuate and save our great institutions that stand for liberty, justice and civilization. Shall we hesitate longer? Our forefathers wrought well and laid a great foundation but we have wasted much of their heritage and now there must be another sovereign declaration for future greatness and glory of the commonwealth. Shall we fail?

#### RADIO RUMBLINGS.

Americans take to new ideas quickly. Five thousand storm the opening of New York's annual radio show. Last year only 6000 attended in five days. Twenty years from now, when pocket wireless outfits will be as common as watches are now, we will be boasting that we say the pioneer wireless devices. Times will be so changed, with so many now unthought-of marvels, that the people of 1942 will yawn at us, just as we look bored when an old soldier reminisces.—Austin American.

Twenty years from now passengers will go to the airplane station in Bryan after putting food and drink tablets in their vest pocket and make the trip to New York in twelve hours without a stop and they will spend a day in New York and return the next morning making the round trip in forty-eight hours and spend about \$10,000 or all the money they have. Checks will be written in paper about 1x2 inches and a pound of beef will be contained in tablet about the size of a black-eyed pea. Men will talk to Bryan and New York as they go through the air at the rate of 200 miles per hour. It's wonderful.

#### "MOONSHINE" GUN CLUB.

Mexia has a "Gun Club." We can not imagine our friend, Joe Webb, of the Waco News-Tribune, as being a secret member of this club and will not believe it until we are convinced of it beyond even a reasonable doubt.—Bryan Eagle.

Don't worry about it, Lee. The Mexia "Gun Club" is not a sunshine affair, at all. It is more likely a "moonshine" outfit.—Nick P. Houx in Mexia Evening News.

#### HELD COTTON THREE YEARS

(Sulphur Springs Echo)  
Rev. A. L. Eaves Tuesday sold a bale of cotton for 11c per pound. Three years ago, he was offered 40c for the bale along with four other bales. He put the cotton in the warehouse and paid storage on it. Besides the weight of the bale after it had been stored lost 44 pounds.

Read Eagle advertisements.

#### TEXAS "FLOWERS FOR THE LIVING CLUB"

(Editor J. M. Patillo in Texas Farm & Labor Journal, Waco)

Representative W. F. Kellis, editor of the Sterling City News-Record is a member of the "Flowers for the Living Club." He represents a great district out in West Texas and never forgets to say a kind word now and then. He says: "Representative Lee J. Rountree, editor of The Bryan Eagle and a member of the house of representatives, is being urged to make the race for lieutenant governor. Lee Rountree is a four-square piece of timber out of which to make a good, solid and safe lieutenant governor. We hope Lee will make the race as he belongs to all Texas." That "Flowers for the Living" is a wonderful outfit, to be sure. This old world is a wonderfully good place to live in, but how much better it could be made if we all did as the good brother above, hand out kind words of encouragement to those who are burdened with care and those who are not. This brings to memory a little poem, seen somewhere, we don't recall the place or time, but it is appropriate and reads as follows: "If with pleasure you are viewing any work a man is doing, If you like him or you love him, tell him now; Don't withhold your approbation till the parson makes oration, And he lies with snowy lilies o'er his brow; For no matter how you shout it, he won't really care about it; He won't know how many tear-drops you have shed; If you think some praise is due him, now's the time to slip it to him, For he can not read his tombstone when he's dead. "More than fame and more than money is the comment kind and sunny, And the hearty warm approval of a friend, For it gives a life a savor, and it makes you stronger, braver, And it gives you heart and spirit to the end. If he earns your praise—bestow it; if you like him, let him know it, Let the words of true encouragement be said; Do not wait till life is over and he's underneath the clover, For he can not read the tombstone when he's dead."

## CRIMM AND HOLDER

### COMMEND THE BRYAN EAGLE FOR SERVICE

The editor of the Eagle is deeply appreciative of the remarks made by Rev. B. B. Crimm, who closes his great revival meeting at the tabernacle tonight. These words of commendation come at an opportune time breathing the great spirit of fraternity and Christian fellowship which is world wide. The following letter from Secretary Holder is self-explanatory and is treasured very highly:

Bryan, Texas, March 27, 1922. Mr. Lee J. Rountree, Bryan, Texas. My Dear Sir: I wish to express to you my profound appreciation for the way you have contributed space in your splendid Daily Eagle during our great revival campaign. I consider the Bryan Eagle one of the best daily newspapers of its size in the south. With every good wish for a prosperous continuance of your splendid paper and for a greater Bryan, I am Yours very truly, JOS. F. HOLDER.

## TRIBUTE TO FAITHFUL MOTHER IN ISRAEL

(Editor F. C. Thompson in McKinney Examiner.)

The following beautiful tribute to the memory of the aged mother of Rev. Sam Barcus who was for two years pastor of the First Methodist church in McKinney, is clipped from the Bryan Eagle, of which Hon. Lee J. Rountree is editor. Mother Barcus visited her son and his family several times while they resided in McKinney. He is a life-long friend of the Barcus family and it is for thirty-five years there has not been a time in the history of Southwestern University at Georgetown that there has not been a member of the great Barcus family as pupil or instructor in the institution. Mr. Rountree says:

"Mother Barcus is dead." These black lines confronted us as we opened the Waco News-Tribune Wednesday morning. Somehow it could not be true—she is only sleeping and has gone to her reward in a better world. Mrs. M. F. Barcus, was a remarkable woman and a "faithful Mother in Israel." She was 91 years of age and had been a consecrated member of the Methodist church 80 years. She was the heroic wife of a Methodist preacher in Texas and gave her very life for God, the church, her family and home. She leaves a remarkable family and the children who survive are: Mrs. M. E. Bullock, Artesia, N. M.; Mrs. M. W. Stanford, Lorena; Mrs. Jackson B. Cox, Monterey, Mexico; Rev. J. M. Barcus, presiding elder of the Georgetown district; Rev. J. Sam Barcus of Denton; Rev. E. R. Barcus, Austin; Rev. T. S. Barcus, presiding elder of the Brownwood district; W. J. Barcus and George W. Barcus of Waco and H. R. Barcus of Pomona, Calif. It is a wonderful record for her to bequeath to her eleven children, 52 grandchildren and 28 great grandchildren. The last time we saw her in health her mind was bright and her faith strong in God the eternal faith of her fathers. The Barcus family is one of the most beloved in Texas and they have been wonderfully blessed to have such a mother and grandmother. The flowers given to her memory were not brighter and purer than the noble life and one of the great consolations in this life we have is that it is not all of "life to live or death to die," but that the great throng "beyond the smiling and the weeping" are the noblest men and women of our day. No "Mother Barcus" is not dead—only sleeping for reward is safe beyond the storm and the storm cloud—in God's eternity."

#### TEXAS HAS LAWS THAT INSURE RANCHES IN STATE

(Dallas Times-Herald)

Texas may look forward for many years to being the home of large cattle ranches, as the day of the "bit ranches" is by no means past, according to the opinion expressed by Dr. B. Youngblood, director of the Texas agricultural experiment station, who passed through Dallas Tuesday on his way to Norman, Okla., where he will read a paper before the Southwestern Political Science Association convention. Dr. Youngblood will read a paper on "The Position of Ranching in Our National Economy." Basis for the paper has been taken from "An Economic Study of a Typical Ranching Area in the Edwards Plateau of Texas," by Dr. Youngblood and A. B. Cox, chief of the division of farm and ranch economics of the station. Dr. Youngblood said there were certain lands in Texas that had at one time been cattle lands and that had been turned to the plow, but there were other lands in the state that were not fitted at all for the plow, but were good cattle land. This land he said, would always be devoted to the raising of cattle.

#### YES—ADVERTISING PAYS

Secretary S. E. Eberstadt, of the Bryan Building and Loan Association, stated that a person in Bryan did not desire to longer carry his Building and Loan Stock and asked him how to cash it as once. Secretary Eberstadt said: "Well, I would advertise it." The owner placed an advertisement in the Daily Eagle and had seventeen calls for the stock and sold it in a jiffy. Verily, it pays to advertise.

## REGISTERED HOGS

We have several Registered Poland China and Duroc Jersey males and guinea on hand. Call and see them. Cash or on time. Conyer's Live Stock and Feed Corporation. W. G. Reynolds, Manager.

## HON. LUTHER A. JOHNSON ANNOUNCES FOR CONGRESS.

(Corsicana Daily Sun)

The announcement of Hon. Luther A. Johnson of Corsicana as a candidate for election to the office of Congressman from this, the 6th Congressional district will be found in today's paper. Mr. Johnson is a native of Navarro County, was reared here, attended the city schools and later graduated from the Lebanon (Tenn.) law school of Cumberland University. He also took a literary course in the same university. He was born October 29th, 1875, and at his graduation was only twenty years of age. He therefore found it necessary to have his disabilities removed that he might at once enter upon the practice of law. In the profession of law he has risen rapidly. His practice has been large and varied, but of recent years he has been more largely engaged in the civil than in the criminal practice. His practice has not been confined by any means to Navarro County. After retiring from the district attorney's office he has had a large practice in both Limestone and Freestone counties. From 1898 to 1902 he served as county attorney and from 1904 to 1910 held the office of district attorney of the 13th Judicial District, then composed of Navarro, Limestone and Freestone counties. To both of these offices he was elected by a vote of the people. In his ten years as prosecuting attorney, he achieved signal success and an enviable reputation, both for his knowledge of the law and his forceful style of arguing his cases before the jury.

**Prominent in Politics.**  
Mr. Johnson has never failed to take a lively and active interest in public matters and his position on all public questions is never withheld from the people. In 1916 he was a delegate from the 6th Congressional District to the Navarro Democratic Convention, and has been a delegate to every State Democratic convention since he was old enough to vote. In 1920 he was temporary chairman of the Democratic State Convention at Fort Worth and delivered the keynote speech of the convention in a clear and forceful enunciation of Democratic principles, but free from personal abuse or vituperation, which is characteristic of him. Mr. Johnson has always taken an interest in politics.

#### MARRIAGE LICENSES.

County Clerk A. S. McSwain has issued the following marriage licenses for Brazos County during the past two days: Callie Person and Emma Gilmore; Robert I. Toliver and Viola Ford.

## EDUCATION AND THE POOR BOY IN THE CITIES

(Corpus Christi Daily Times)

A speaker at the recent meeting of the National Education Society discussed the poor boy and the high school. He showed that the great majority of high school pupils come from comfortable homes, and the children of the poor tend to drop out. He urged that the value of education should be "sold" to the children. If they were made to see that education pays, the parents would manage somehow to keep them in school. It is a pathetic sight to see the children of the poor drop out. They need the training more than anyone else, to overcome their handicaps and difficulties. Plenty of ambitious poor boys make good, dicaps and difficulties. They sell newspapers or take odd jobs, and arrange to earn enough so they are no burden on their hard pressed families.

But the indifferent poor boy is problem. He trains with the gang on the streets, and his overworked parents are not able to look after him. His hope is a soft job and easy money. If some one offers him work at which he can earn plenty of cash to blow in on cheap sporting life, he will throw away all his chances for life by quitting school.

If he is the son of uneducated parents, lacking any intelligent association in his own home, he may fail to grasp the subjects taken up in the high school. He concludes that he can't do the work and drops out. Frequently such boys begin to fall behind in the grammar school. What they need is a course with some hand work in it, to take advantage of whatever aptitudes they may possess. There ought to be a campaign in every school to convince every child that a high education is necessary for success in these times. One of the most important things that teachers have to do is to persuade the young people to stick to their books until they get through the high school. Most young people can earn their expenses if they have the right spirit of pluck.

#### WHEN SAM MEETS SAM

The Eagle is anxious to know what Sam Miller will say now to Sam Hill when they meet at the State Rotary Convention next week at Mineral Wells in the Palo Pinto hills.—Bryan Eagle.

We never outline a conversation in advance or we would satisfy the curiosity of Lee Rountree. We can say however, that when Sam meets Sam the greetings will not be in line with that of the famous North and South Carolina governors.—Sam Miller in Mineral Wells Index.

They would if they could, but if they couldn't how would they?—Nick P. Houx in Mexia Daily News.

Mrs. W. T. Strange of Oklahoma spent Sunday in Bryan and College on a visit to friends and her sons, who are attending A. & M. College. Mrs. Strange formerly lived in Bryan and has many friends who gave her a most cordial welcome. She was on her way to San Antonio to attend the Woman's Missionary Council of the Methodist church. While here Mrs. Strange was a guest of Mrs. G. C. White.

Advertising stimulates trade, it has helped others. Let it help you.

## BRYAN CEMETERY ASSN. MEMBERSHIP

The following is a list of out of town members who have paid dues for care of lots for year 1922, in the Bryan Cemetery Association: D. M. Clower, Dallas, \$2.50; Mrs. C. P. Fountain, College, \$4.00; T. W. Griffiths, Dallas, \$4.00; Ed. Hall, Austin, \$6.00; W. V. Hanvay, Dallas, \$6.00; Mrs. Mary R. Hassell, Dallas, \$4.00; Mrs. Lucy B. Hervey, Houston, \$6.00; Chas. F. Knoblauch, \$6.00; Mrs. Maude Leigh, Navasota, \$6.00; Mrs. J. B. Mike, Kansas City, \$6.00; R. B. Compton, Abilene, \$6.00; Mrs. Aug. Prinzel, Kurten, \$2.50; J. M. Radford, Abilene, \$2.50; Mrs. Norma C. Vinsen, Fort Worth, \$6.00; Mrs. C. N. Williamson, Fort Worth, \$6.00; Mrs. P. S. Tilson, Houston, \$4.00.

Additional names not previously published who have become members: Leigh, Mrs. Maude; Clarke, Mrs. Luther; Chatham, R. K.; Tilson, Mrs. P. S.; Coulter, Mrs. J. W.; Covey, Mrs. J. E.; Compton, R. B.; W. B. Tucker, Shreveport, La.; Mrs. G. D. Tucker and Mrs. Albert Buchanan.

## Big Bargain Sale at Hard Time Prices AT M. BONNEVILLE'S RACKET STORE

**MORE GOODS FOR THE SAME MONEY THE SAME GOODS FOR LESS MONEY**

We are putting on a sale of two carloads of the biggest bargains we ever bought and believe me there are marked at prices to sell. To meet the demand of hard times. Ever one claims to be short of money this spring and those that I bought these merchandise from were shorter still. I bought them nearly at my own prices and I know today one must have real bargains to meet the pocketbooks of our county. I have them and if you are looking for a real bargain, then call to see us and get your needs for less than you ever bought before in the past few years. Remember our overhead expenses are small and our profits are small too, and far less than others. We don't offer our goods for only a few days at above prices but for every day they are sold.

## So if You Want Bargains Here is the Place to Buy Dry Goods

Colored Voiles in Fancy check and figured, big values, per yard, 12 1-2c, 15c, 18c, 25c. Big line Percale Fancy pattern, per yard, 10c, 12 1-2c, 15c. If You Take Advantage of These Prices---YOU SAVE MONEY

# EAGLE IS A REAL COUNTY NEWSPAPER!

## GREATEST WORK OF BRYAN BUILDING AND LOAN ASS'N

Stockholders Meeting Re-Elects Board of Directors For 1922—Proposition to Increase Capital Stock From \$500,000 to \$1,500,000 To Be Voted On.

The stockholders of the Bryan Building and Loan Association held the annual meeting Thursday night at the district court room with about fifty stockholders present. President W. H. Cole presided and Secretary S. E. Eberstadt was at the desk. This is one of the great militant and working organizations for Bryan and College. It has already accomplished great things and will accomplish greater things as the years go by. There is no more laudable undertaking than home building—the home is the safety of the people and the nation. During the few years of its organization the Building and Loan Association has built 28 homes in Bryan at a cost of \$71,962 and has just completed and have under course of construction \$21,200 in homes. Secretary Eberstadt states there are now \$23,450 in applications on file for future appropriation. President Cole made a splendid report which means much for the future.

The Election Committee, Dr. C. C. Hedges, M. M. Erskine, Jno. M. Lawrence Jr., John S. Caldwell and S. E. Eberstadt, reported that the following board of directors for 1922 had been re-elected by the stockholders: W. H. Cole, H. O. Boatwright, W. S. Higgs, Wilson Bradley, W. S. Barron, Robert Armstrong, A. H. Leidigh, J. B. Bagley and F. L. Henderson. Upon motion this report was made a part of the record. Upon motion of Major L. L. McInnis a rising vote of thanks was tendered the officers and directors for their good work in the past. President Cole stated that the Association was conducted for the benefit of home-builders without expense and was bound to succeed. Secretary Eberstadt stated that the Bryan Chamber of Commerce was due much for the part it was doing for the building of homes as he was acting secretary doing the work without charge as secretary. He said he desired to sell \$250,000 of the new series in eight hours active work. Upon motion it was agreed to recess until Thursday, March 30th to have a vote of the stockholders on the plan to increase the capital stock from \$500,000 to \$1,500,000. The meeting will be held at the Chamber of Commerce rooms at 4 o'clock Thursday afternoon to announce the decision.

Appropriate remarks were made by Hon. F. L. Henderson, Major L. L. McInnis, Lee J. Rountree, A. H. Leidigh, Dr. C. C. Hedges, S. E. Eberstadt, M. M. Erskine, Mrs. H. R. Brayton and others. Mr. Henderson gave the details of the work and Major McInnis had a vote of thanks given President Cole, Secretary Eberstadt and the board of directors. The meeting on next Thursday will mark the important announcement of increase of the capital stock and the sale of \$250,000 of stock which will increase the revenues about \$1250 per month. In speaking of home building it was freely predicted that Bryan already a "city beautiful" would see a great avenue of trees and handsome homes from Bryan to College in the next few years.

## DISABLED VETERANS MUST FIGHT FOR AID FROM GOVERNMENT

The war is not over for the disabled ex-servicemen. A letter to the effect that certain capitalists at Washington and New York are attempting to discredit the immense amount of good being done by sending disabled ex-servicemen to colleges and teaching them trades at the government's expense was received from the national headquarters of the Disabled Veterans of the World War at Washington and read before the members of the local post at the meeting held at Carnegie Library Thursday night. This information is vital to the more than 150 Federal students now attending A. & M. College. What is to be done to prove the worth of sending ex-servicemen to A. & M. to learn cotton classing, agriculture and other courses with which they may later earn a livelihood?

"Fight 'em with facts! Produce the facts: prove that federal students are taking their work earnestly, working industriously and are practicing what they learn when they get this education the government is providing" were the expressions brought forth by unanimous assent of every member of the John N. Snell Post, Disabled Veterans of the World War last night.

"Every federal student now attending College is requested to compile data on the number of ex-servicemen whom he knows or ever heard of, with the amount of Federal aid they received, where they were trained, and exactly what use they are making of such education. The information will be sent to the Washington headquarters of disabled veterans for use in the fight now going on 'behind the scenes' was the measure adopted unanimously by the Snell Post.

If there is any ex-serviceman in Bryan or Brazos County or at College wishing to see that disabled ex-servicemen get a "square deal" he is requested to send the information

## LAWLER MOTION FOR NEW TRIAL OVERRULED AN APPEAL IS TAKEN

The plaintiff's motion for a new trial was overruled in the case of J. T. Lawler versus City of Bryan for damages on contract regarding sale of power plant, by district Judge W. C. Davis in the Brazos County District Court Friday afternoon at 6 o'clock. Plaintiff J. T. Lawler excepted to Judge Davis' decision and gave notice of appeal to the Court of Civil Appeals at Galveston. This was one of the last motions argued during the present term of the district court which closed today.

## ANNOUNCEMENT FOR COUNTY TREASURER

Subject to the action of the Democratic primary in July, I announce for re-election for the office of County Treasurer of Brazos County. I have held the office one term, and have faithfully performed the duties of the office, given my best attention to it, and believe that I have made Brazos County a good and efficient Treasurer. If re-elected, I promise that I will give the office the same attention and that I will do my best in handling the funds of Brazos County. On the basis of my past performance, my ability to properly handle the office, I again submit my name as a candidate for Democrats of Brazos County to pass on.

(Signed) MRS. DORA WILSON.  
(Political Advertisement)

they may have federal students who have finished their training and are now making a living with what they learned at the colleges the government sent them to. The names, addresses, occupations and any other information are requested, same to be mailed to the City Editor, Bryan Eagle.

## BRYAN MEN COLLECTED \$343.75—MRS. HIGGS \$31.05 FOR FAR EAST

Committees of Bryan men collected a total of \$343.75 and Mrs. W. S. Higgs got \$31.05 this week, in the campaign to raise \$2,000 in Brazos county for the starving people of Armenia in the Near East, said County Chairman Jno. A. Moore, Jr., Saturday morning. The amounts raised by the several women's committees have not reported but it is expected that with their sum the first week of the campaign has progressed most favorably. All of next week will be used in the big "mopping-up" to raise the remainder of the quota.

The following men's committees deserve credit for having devoted much time and effort during the past week collecting the funds so badly needed in the Christian nation of Armenia: J. D. Martin, Fred Cavitt and R. S. Webb, Jr., in the block on which are situated the First National Bank and the City National Bank collected \$59; T. K. Lawrence and Tom A. Adams in the Brandon-Lawrence block raised \$55.25; D. L. Wilson and C. R. Gardner in the Chambers-Wilson block secured \$46.75; A. M. Waldrop and Tom Smith in the A. M. Waldrop block collected \$44.75; R. M. Dansby and John C. Vick in the block in which the Howell & Company Grocers building is located secured \$42.00; James W. James and M. E. Wallace in the Postoffice block got \$39.75; P. S. Park and J. N. Dulaney in the block on which the First State Bank & Trust Company is situated collected \$38.25; Robert Mawhinney and R. L. Brogdon in the Brogdon feed store block raised \$18. Mr. Robert Webb had several of these committees under his direct supervision and did much to make the drive this success it has proven thus far. Mrs. W. S. Higgs worked the northwestern portion of Bryan, getting \$31.05. A full report of the amounts secured by the other women who are calling at practically every home in the residential sections of the city will be announced as information is received by County Chairman Jno. A. Moore, Jr. "It looks mighty good so far," said Mr. Moore, "and although we have one more week of the drive there is no use even thinking that the quota will not be reached. I believe it will be reached by next Saturday night. The men have been working hard to go 'over the top' and I want to thank ever member of the committees individually for his service. The women deserve considerable credit also, and although they have not been able to raise the amount the men got, they worked just as hard, and are still going at it with determination."

## ACQUITTED BY JURY.

Drs. Stine and Hock, chiropractors, who were indicted by the grand jury on charges of practicing medicine without license, were acquitted by a jury in the District court today, presided over by Judge W. C. Davis.

## EAGLE ADS PAY WELL.

Mrs. Lynn Sample, of Kurten, who advertised in the Daily and Weekly Eagle, three times at \$5.00 per dozen Saturday morning telephoned the Eagle to "stop the advertisement at once." Mrs. Sample said she had sold out all her eggs and had orders for 150 more turkey eggs at 50 cents each and cannot fill the order. It pays to advertise in the Eagle. Hence the advertisement was discontinued and her money will be refunded.

## DO YOUR CHILDREN like Castor Oil?

then why make them take it? Why cling to the old idea that a medicine must be unpleasant in order to be good?

**Dr. Miles' Laxative Tablets**  
TASTE LIKE CANDY  
ACT LIKE MAGIC

The best authorities say that their main ingredient "accelerates the peristalsis in the same way as castor oil."

Good for children and adults. Get a box at your drug store.

The Bryan Weekly Eagle of March 23 contained 716 inches of reading matter. Of this amount 650 inches was pure reading matter prepared in the Eagle office and all being local happenings at College, Bryan and in the different communities in Brazos county and 60 inches were advertising. There is no weekly paper in Texas that gives more real county local news to the amount of advertising than the Eagle. In speaking of this matter recently the Fairfield Recorder said: "The Bryan Weekly Eagle has more real county local matter and less advertising than any county newspaper in Texas." The Eagle is just giving these facts so that the thoughtful citizen can understand the expense and real labor attached to the publication of real newspapers. The Eagle feels that it is doing its full duty for Bryan and Brazos county and deserving support at least an amount that will pay operating expenses. This is its views and it believes this is correct. The Eagle is doing as much as any institution or business for the general good and is able to do so. It invites the co-operation and support of every citizen of Bryan and Brazos county in the laudable undertaking now and in the future. The Eagle points that it is recognized as a county newspaper everywhere and perhaps has as many real friends as any newspaper in Texas and is regarded as a success? Will you give the Eagle your support?

## Senator Doyle's Commendation.

Senator Doyle, of Teague, in writing the editor of the Eagle, among other things says: "I always love the beautiful and pathetic in our literature. I read in the Eagle 'In the Hospital' and have placed this in my scrap book to preserve for time. Today I send another copy to my uncle in old South Carolina home and he will appreciate it as much as I do. We always enjoy the Eagle."

## Letter From Dean Davis.

Dean J. Thomas Davis, of John Tarleton A. and M. College Jr., at Stephenville, Texas, writes: "I received the Bryan Daily Eagle. I presume that you sent me this copy because of the article concerning the John Tarleton Agricultural College written by Dr. Bizzell in reply to the Dallas News editorial which commented upon Colonel Jones' address at Abilene. I must take this opportunity of expressing my very high appreciation for the quality of your paper and the many other articles bearing upon state education in Texas. I have been watching your writings, which have been copied in other big papers during the recent months. Certainly those who are engaged in educational work cannot help but appreciate the stand you are taking for the cause of education in Texas. Personally, I very much appreciate your work as well as your friendship toward me."

## From Dr. Jno. M. Barcus.

Dr. Jno. M. Barcus, of Georgetown, presiding elder of the Georgetown District says: "Every time I pick up the Bryan Eagle to read it I think I will write you a letter and I cannot refrain now when I read the beautiful tribute you paid to my mother who has passed beyond the river. I read your paper not only because it is a real interesting newspaper but because every time I pick it up I am reminded of you and my good friend of those good old by-gone days in Georgetown where I have been school boy, pastor and presiding elder. Your tribute to my mother was so thoughtful on your part and so well expressed. Of course we greatly miss her, but we are especially thankful to have had such a mother and to have been allowed to keep her with us so long. I know that with her 'to die is gain' and that she is better off, but an inexpressible feeling of loneliness comes over me, irresistibly, when I think that the mother who bore me, rocked me in my cradle, tucked me in my trundle bed, sang to me the lullabies of childhood cried over me, prayed for me and whose life has been an ever increasing inspiration—that she has passed beyond the sight of my eye or the reach of my hand. But we know where to find her—in Heaven."

## From Hon. Thomas M. West.

Judge T. M. West, lawyer, stockman, legislator and member of the West Texas West family with headquarters at San Antonio says: "I regard the Bryan Eagle as the best and most reliable newspaper I read. I am

## JOHN N. SNELL POST MAY SEND A MAN TO FRISCO CONVENTION

"Hail, Columbia! Happy land! Hail, ye heroes! Heaven-born band! Who fought and bled in Freedom's cause, And when the storm of war was gone, Enjoyed the peace your valor won."

—Joseph Hopkinson.

The John N. Snell Post, Disabled Veterans of the World War are thinking of sending one of their members to the big convention of disabled ex-servicemen at San Francisco in about a month. The matter was taken up and discussed by the post at their last meeting. A weekly bulletin telling of happenings of the hundreds of veterans posts which are scattered over the entire United States is issued from national headquarters at Cincinnati, Ohio. At a conference held recently between the national commander Judge Robert S. Marx, National vice Commander Edward H. Hug and Colonel John V. Cline, commander of the Chicago chapter, the railroad officials said that they would be more than glad to consider giving a reduced railroad rate to the convention, as they considered the disabled boys of the World War the "best passengers they could get."

Plans for the big boxing bouts and the band concert to be held in the City Hall auditorium are being completed, matches made and everything is being put into readiness for the program. The business men of Bryan are urged and invited to referee the boxing, and take an interest generally in the local post of federal students of College. There is no admission charge to the Thursday program.

Mr. A. B. McSwain, of Wellborn, was here Monday and paid the Eagle an appreciated visit.

coming over to see you and visit A. and M. College." Judge West is a member of the State Appropriation Committee of Texas.

## From Judge Stephens.

Judge C. R. Stephens, a business man of Ballinger and member of the Appropriation Committee of Texas, writes: "I congratulate Bryan and Brazos county in having in the Eagle one of the best daily newspapers in Texas published outside the great cities and with a much wider circulation influence."

## Orland S. Sims of West Texas.

Representative O. S. Sims, of Concho county, owner of one of the greatest Texas ranches on Concho River with headquarters at Paint Rock, writes: "I regard the Bryan Eagle as the best small daily in Texas and it is always read with great interest here." He is a member of the 37th Legislature and a graduate of State University at Austin.

## Brazos County District Court Records Several Convictions

Ten convictions and only one acquittal in the felony cases which have come before it, was the excellent record made by the Brazos County District Court during this term of court which ended Saturday, March 25th, by District Judge W. C. Davis. The felony cases were as follows: Two cases against Zeb Daniels, negro, one for burglary (sentence of five years in penitentiary); the other for felony theft (sentence of two years in penitentiary imposed); two cases against Jack King, each one for bootlegging (given one year for each case); Ed Allen, assault to murder (given a two-year suspended sentence in the state penitentiary); Joe Young, negro, assault to murder (given two years in state prison); Wesley Cramer, manufacturing whiskey (given two-term sentence in prison, but gave notice of appeal); John Ellis, making whiskey (one year prison sentence); Angelo Rizepti, felony theft (given two-year suspended sentence); Charlie Mason, negro, transporting liquor (given one-year suspended sentence); acquittals, case of Charlie Anderson, negro Also case of State of Texas versus Powell Chambers, charged with bootlegging, acquittal. In the latter case the state's witness, upon whose testimony the state was relying most, changed his testimony on the stand, saying that he was not positive this was the man. So on recommendations of County Attorney J. G. Minkert acquittal was granted the defendant.

## ANNOUNCES FOR CONGRESS.

Corsicana, Texas, March 23.—Luther A. Johnson announces today that he will be a candidate for Congress from the Sixth Congressional District. Other citizens of the district have been mentioned for Congress including: Judge W. C. Davis and Representative Lee J. Rountree, of Bryan; Major Ike Ashburn, of College Station; Judge John Watson, of Cameron; Judge Joe Webb, of Madisonville; Hon. E. A. Camp, of Rockdale; Hon. Mark Wigginton and A. M. Frazier, of Hill county.

## JURY COMMISSIONERS CONCLUDE THEIR LABOR

District Judge Davis at the close of the present term of the Brazos County District Court approved the following jury commissioners: J. D. Martin, Bryan; Douglass Peters, Harvey; Tom Benbow, Tabor. The commissioners met Friday and made their report for jurors which will be opened for next term of the district court.

## Navasota Officers Notified Bryan Police of Auto Thieves

### (Navasota Examiner-Review)

Friday night just before evening service of the revival was over at the Methodist church three men driving a Buick roadster stopped and appropriated an extra casing from the car of T. B. Terrell, which was parked at the church. Melvin Elliott saw the men take the tire and his prompt action in reporting the fact resulted in catching the thieves, who beat hasty retreat, going toward Bryan.

Officers at Bryan were notified and a number of local men in their cars gave chase. The fugitives were pressed so closely that they threw away the stolen tire at Bradley's Hill and continued their flight. Bryan officers met the trio at College Station and arrested them. Upon being brought back to Navasota one of the men confessed that he had taken the tire, and they were placed in jail.

Before any disposition of the case could be made this morning a letter was received from the authorities in Waco stating that a Buick roadster had been stolen from Dr. C. E. Collins there on March 20th, and asking that a lookout be kept for it. An examination of the car driven by the men under arrest disclosed the fact that it was the car that had been stolen in Waco, all the details of the description received here corresponding except the state license number, which had been changed.

The three men under arrest gave their names as J. A. Mann, Clarence L. Hudson and W. V. Murphy and say their home is in Mart. They were still in confinement this afternoon, but upon payment of their fine here will probably be returned to Waco to answer for the theft of the car from that city.

"Say, fellows, look at the big chief. Says he can't break away till he finishes his Kellogg's Corn Flakes! Guess he knows good things, aw' right!"

## Mighty appetizing to open the day with Kellogg's Corn Flakes

Those big, sunny-brown "sweet-hearts-of-the-corn" just seem to get things going right, from the littlest "star boarder" to the eldest! For Kellogg's Corn Flakes hit-the-spot as no other cereal ever could; and they are a continuous taste-thrill!

Tempting in their appearance, wonderful in supreme flavor and crunchy and crispy to the very last degree, Kellogg's Corn Flakes are really and truly a revelation in good things to eat—for breakfast, for any meal and for between-times nibbles!

How all your folks will delight to get Kellogg's; how they'll appreciate Kellogg's crispness. For, Kellogg's are never tough or leathery or hard to eat! You'll see big and little bowls come back for "some more Kellogg's, Mother, please!"

When you order Kellogg's today—insist upon getting KELLOGG'S—the delicious Corn Flakes in the RED and GREEN package! It bears the signature of W. K. Kellogg, originator of Corn Flakes. NONE ARE GENUINE WITHOUT IT!

Bear in mind KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLELAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLELAND.

**Kellogg's CORN FLAKES**

# EAGLE IS A REAL COUNTY NEWSPAPER!

## GREATEST WORK OF BRYAN BUILDING AND LOAN ASS'N

Stockholders Meeting Re-Elects Board of Directors For 1922—Proposition to Increase Capital Stock From \$500,000 to \$1,500,000 To Be Voted On.

The stockholders of the Bryan Building and Loan Association held the annual meeting Thursday night at the district court room with about fifty stockholders present. President W. H. Cole presided and Secretary S. E. Eberstadt was at the desk. This is one of the great militant and working organizations for Bryan and College. It has already accomplished great things and will accomplish greater things as the years go by. There is no more laudable undertaking than home building—the home is the safety of the people and the nation. During the few years of its organization the Building and Loan Association has built 28 homes in Bryan at a cost of \$71,962 and has just completed and have under course of construction \$21,200 in homes. Secretary Eberstadt states there are now \$23,450 in applications on file for future appropriation. President Cole made a splendid report which means much for the future.

The Election Committee, Dr. C. C. Hedges, M. M. Erskine, Jno. M. Lawrence Jr., John S. Caldwell and S. E. Eberstadt, reported that the following board of directors for 1922 had been re-elected by the stockholders: W. H. Cole, H. O. Boatwright, W. S. Higgs, Wilson Bradley, W. S. Barron, Robert Armstrong, A. H. Leidigh, J. B. Bagley and F. L. Henderson. Upon motion this report was made a part of the record. Upon motion of Major L. L. McInnis a rising vote of thanks was tendered the officers and directors for their good work in the past. President Cole stated that the Association was conducted for the benefit of home-builders without expense and was bound to succeed. Secretary Eberstadt stated that the Bryan Chamber of Commerce was due much for the part it was doing for the building of homes as he was acting secretary doing the work without charge as secretary. He said he desired to sell \$250,000 of the new series in eight hours active work. Upon motion it was agreed to recess until Thursday, March 30th to have a vote of the stockholders on the plan to increase the capital stock from \$500,000 to \$1,500,000. The meeting will be held at the Chamber of Commerce rooms at 4 o'clock Thursday afternoon to announce the decision.

Appropriate remarks were made by Hon. F. L. Henderson, Major L. L. McInnis, Lee J. Rountree, A. H. Leidigh, Dr. C. C. Hedges, S. E. Eberstadt, M. M. Erskine, Mrs. H. R. Brayton and others. Mr. Henderson gave the details of the work and Major McInnis had a vote of thanks given President Cole, Secretary Eberstadt and the board of directors. The meeting on next Thursday will mark the important announcement of increase of the capital stock and the sale of \$250,000 of stock which will increase the revenues about \$1250 per month. In speaking of home building it was freely predicted that Bryan already a "city beautiful" would see a great avenue of trees and handsome homes from Bryan to College in the next few years.

## DISABLED VETERANS MUST FIGHT FOR AID FROM GOVERNMENT

The war is not over for the disabled ex-servicemen. A letter to the effect that certain capitalists at Washington and New York are attempting to discredit the immense amount of good being done by sending disabled ex-servicemen to colleges and teaching them trades at the government's expense was received from the national headquarters of the Disabled Veterans of the World War at Washington and read before the members of the local post at the meeting held at Carnegie Library Thursday night. This information is vital to the more than 150 Federal students now attending A. & M. College. What is to be done to prove the worth of sending ex-servicemen to A. & M. to learn cotton classing, agriculture and other courses with which they may later earn a livelihood?

"Fight 'em with facts! Produce the facts: prove that federal students are taking their work earnestly, working industriously and are practicing what they learn when they get this education the government is providing" were the expressions brought forth by unanimous assent of every member of the John N. Snell Post, Disabled Veterans of the World War last night.

"Every federal student now attending College is requested to compile data on the number of ex-servicemen whom he knows or ever heard of, with the amount of Federal aid they received, where they were trained, and exactly what use they are making of such education. The information will be sent to the Washington headquarters of disabled veterans for use in the fight now going on 'behind the scenes', was the measure adopted unanimously by the Snell Post.

If there is any ex-serviceman in Bryan or Brazos County or at College wishing to see that disabled ex-servicemen get a "square deal" he is requested to send the information

## LAWLER MOTION FOR NEW TRIAL OVERRULED AN APPEAL IS TAKEN

The plaintiff's motion for a new trial was overruled in the case of J. T. Lawler versus City of Bryan for damages on contract regarding sale of power plant, by district Judge W. C. Davis in the Brazos County District Court Friday afternoon at 6 o'clock. Plaintiff J. T. Lawler excepted to Judge Davis' decision and gave notice of appeal to the Court of Civil Appeals at Galveston. This was one of the last motions argued during the present term of the district court which closed today.

## ANNOUNCEMENT FOR COUNTY TREASURER

Subject to the action of the Democratic primary in July, I announce for re-election for the office of County Treasurer of Brazos County. I have held the office one term, and have faithfully performed the duties of the office, given my best attention to it, and believe that I have made Brazos County a good and efficient Treasurer. If re-elected, I promise that I will give the office the same attention and that I will do my best in handling the funds of Brazos County. On the basis of my past performances, my ability to properly handle the office, I again submit my name as a candidate for Democrats of Brazos County to pass on.

(Signed) MRS. DORA WILSON.  
(Political Advertisement)

they may have federal students who have finished their training and are now making a living with what they learned at the colleges the government sent them to. The names, addresses, occupations and any other information are requested, same to be mailed to the City Editor, Bryan Eagle.

## BRYAN MEN COLLECTED \$343.75—MRS. HIGGS \$31.05 FOR FAR EAST

Committees of Bryan men collected a total of \$343.75 and Mrs. W. S. Higgs got \$31.05 this week, in the campaign to raise \$2,000 in Brazos county for the starving people of Armenia in the Near East, said County Chairman Jno. A. Moore, Jr., Saturday morning. The amounts raised by the several women's committees have not reported but it is expected that with their sum the first week of the campaign has progressed most favorably. All of next week will be used in the big "mopping-up" to raise the remainder of the quota.

The following men's committees deserve credit for having devoted much time and effort during the past week collecting the funds so badly needed in the Christian nation of Armenia: J. D. Martin, Fred Cavitt and R. S. Webb, Jr., in the block on which are situated the First National Bank and the City National Bank collected \$59; T. K. Lawrence and Tom A. Adams in the Brandon-Lawrence block raised \$55.25; D. L. Wilson and C. R. Gardner in the Chambers-Wilson block secured \$46.75; A. M. Waldrop and Tom Smith in the A. M. Waldrop block collected \$44.75; R. M. Dansby and John C. Vick in the block in which the Howell & Company Grocers building is located secured \$42.00; James W. James and M. E. Wallace in the Postoffice block got \$39.75; P. S. Park and J. N. Dulaney in the block on which the First State Bank & Trust Company is situated collected \$38.25; Robert Mawhinney and R. L. Brogdon in the Brogdon feed store block raised \$18. Mr. Robert Webb had several of these committees under his direct supervision and did much to make the drive the success it has proven thus far. Mrs. W. S. Higgs worked the northwestern portion of Bryan, getting \$31.05. A full report of the amounts secured by the other women who are calling at practically every home in the residential sections of the city will be announced as information is received by County Chairman Jno. A. Moore, Jr.

"It looks mighty good so far," said Mr. Moore, "and although we have one more week of the drive there is no use even thinking that the quota will not be reached. I believe it will be reached by next Saturday night. The men have been working hard to go 'over the top' and I want to thank every member of the committees individually for his service. The women deserve considerable credit also, and although they have not been able to raise the amount the men got, they worked just as hard, and are still going at it with determination."

**ACQUITTED BY JURY.**  
Drs. Stine and Hock, chiropractors, who were indicted by the grand jury on charges of practicing medicine without license, were acquitted by a jury in the District court today, presided over by Judge W. C. Davis.

**EAGLE ADS PAY WELL.**  
Mrs. Lynn Sample, of Kurten, who advertised in the Daily and Weekly Eagle, three times at \$5.00 per dozen Saturday morning telephoned the Eagle to "stop the advertisement at once". Mrs. Sample said she had sold out all her eggs and had orders for 150 more turkey eggs at 50 cents each and cannot fill the order. It pays to advertise in the Eagle. Hence the advertisement was discontinued and her money will be refunded.

**Do Your Children like Castor Oil?**  
then why make them take it? Why cling to the old idea that a medicine must be unpleasant in order to be good?

**Dr. Miles' Laxative Tablets**  
TASTE LIKE CANDY  
ACT LIKE MAGIC

The best authorities say that their main ingredient "accelerates the peristalsis in the same way as castor oil."

Good for children and adults. Get a box at your drug store.

The Bryan Weekly Eagle of March 23 contained 716 inches of reading matter. Of this amount 650 inches was pure reading matter prepared in the Eagle office and all being local happenings at College, Bryan and in the different communities in Brazos county and 60 inches were advertising. There is no weekly paper in Texas that gives more real county local news to the amount of advertising than the Eagle. In speaking of this matter recently the Fairfield Recorder said: "The Bryan Weekly Eagle has more real county local matter and less advertising than any county newspaper in Texas." The Eagle is just giving these facts so that the thoughtful citizen can understand the expense and real labor attached to the publication of real newspapers. The Eagle feels that it is doing its full duty for Bryan and Brazos county and deserving support at least an amount that will pay operating expenses. This is its view and it believes this is correct. The Eagle is doing as much as any institution or business for the general good and is able to do so. It invites the co-operation and support of every citizen of Bryan and Brazos county in the laudable undertaking now and in the future. The Eagle points that it is recognized as a county newspaper everywhere and perhaps has as many real friends as any newspaper in Texas and is regarded as a success? Will you give the Eagle your support?

**Senator Doyle's Commendation.**  
Senator W. E. Doyle, of Teague, in writing the editor of the Eagle, among other things says: "I always love the beautiful and pathetic in our literature. I read in the Eagle 'In the Hospital' and have placed this in my scrap book to preserve for time. Today I send another copy to my uncle in old South Carolina home and he will appreciate it as much as I do. We always enjoy the Eagle."

**Letter From Dean Davis.**  
Dean J. Thomas Davis, of John Tarleton A. and M. College Jr., at Stephenville, Texas, writes: "I received the Bryan Daily Eagle. I presume that you sent me this copy because of the article concerning the John Tarleton Agricultural College written by Dr. Bizzell in reply to the Dallas News editorial which commented upon Colonel Jones' address at Abilene. I must take this opportunity of expressing my very high appreciation for the quality of your paper and the many other articles bearing upon state education in Texas. I have been watching your writings, which have been copied in other big papers during the recent months. Certainly those who are engaged in educational work cannot help but appreciate the stand you are taking for the cause of education in Texas. Personally, I very much appreciate your work as well as your friendship toward me."

**From Dr. Jno. M. Barcus.**  
Dr. Jno. M. Barcus, of Georgetown, presiding elder of the Georgetown District says: "Every time I pick up the Bryan Eagle to read it I think I will write you a letter and I cannot refrain now when I read the beautiful tribute you paid to my mother who has passed beyond the river. I read your paper not only because it is a real interesting newspaper but because every time I pick it up I am reminded of you and my good friend of those good old by-gone days in Georgetown where I have been school boy, pastor and presiding elder. Your tribute to my mother was so thoughtful on your part and so well expressed. Of course we greatly miss her, but we are especially thankful to have had such a mother and to have been allowed to keep her with us so long. I know that with her 'to die is gain' and that she is better off, but an inexpressible feeling of loneliness comes over me, irresistibly, when I think that the mother who bore me, rocked me in my cradle, tucked me in my trundle bed, sang to me the lullabies of childhood cried over me, prayed for me and whose life has been an ever increasing inspiration—that she has passed beyond the sight of my eye or the reach of my hand. But we know where to find her—in Heaven."

**From Hon. Thomas M. West.**  
Judge T. M. West, lawyer, stockman, legislator and member of the West Texas family with headquarters at San Antonio says: "I regard the Bryan Eagle as the best and most reliable newspaper I read. I am

## JOHN N. SNELL POST MAY SEND A MAN TO FRISCO CONVENTION

"Hail, Columbia! Happy land! Hail, ye heroes! Heaven-born band! Who fought and bled in Freedom's cause, And when the storm of war was gone, Enjoyed the peace your valor won." —Joseph Hopkinson.

The John N. Snell Post, Disabled Veterans of the World War are thinking of sending one of their members to the big convention of disabled ex-servicemen at San Francisco in about a month. The matter was taken up and discussed by the post at their last meeting. A weekly bulletin telling of happenings of the hundreds of veterans posts which are scattered over the entire United States is issued from national headquarters at Cincinnati, Ohio. At a conference held recently between the national commander Judge Robert S. Marx, National vice Commander Edward H. Hug and Colonel John V. Clinin, commander of the Chicago chapter, the railroad officials said that they would be more than glad to consider giving a reduced railroad rate to the convention, as they considered the disabled boys of the World War the "best passengers they could get."

Plans for the big boxing bouts and the band concert to be held in the City Hall auditorium are being completed, matches made and everything is being put into readiness for the program. The business men of Bryan are urged and invited to referee the boxing, and take an interest generally in the local post of federal students of College. There is no admission charge to the Thursday program.

Mr. A. B. McSwain, of Wellborn, was here Monday and paid the Eagle an appreciated visit. coming over to see you and visit A. and M. College." Judge West is a member of the State Appropriation Committee of Texas.

**From Judge Stephens.**  
Judge C. R. Stephens, a business man of Ballinger and member of the Appropriation Committee of Texas, writes: "I congratulate Bryan and Brazos county in having in the Eagle one of the best daily newspapers in Texas published outside the great cities and with a much wider circulation influence."

**Orland S. Sims of West Texas.**  
Representative O. S. Sims, of Concho county, owner of one of the greatest Texas ranches on Concho River with headquarters at Paint Rock, writes: "I regard the Bryan Eagle as the best small daily in Texas and it is always read with great interest here." He is a member of the 37th Legislature and a graduate of State University at Austin.

## Brazos County District Court Records Several Convictions

Ten convictions and only one acquittal in the felony cases which have come before it, was the excellent record made by the Brazos County District Court during this term of court which ended Saturday, March 25th, by District Judge W. C. Davis. The felony cases were as follows: Two cases against Zeb Daniels, negro, one for burglary (sentence of five years in penitentiary); the other for felony theft (sentence of two years in penitentiary imposed); two cases against Jack King, each one for bootlegging (given one year for each case); Ed Allen, assault to murder (given a two-year suspended sentence in the state penitentiary); Joe Young, negro, assault to murder (given two years in state prison); Wesley Cramer, manufacturing whiskey (given two-term sentence in prison, but gave notice of appeal); John Ellis, making whiskey (one year prison sentence); Angelo Rizepti, felony theft (two-year suspended sentence); Charlie Mason, negro, transporting liquor (given one-year suspended sentence); acquittals, case of Charlie Anderson, negro. Also case of State of Texas versus Powell Chambers, charged with bootlegging, acquittal. In the latter case the state's witness, upon whose testimony the state was relying most, changed his testimony on the stand, saying that he was not positive this was the man. So on recommendations of County Attorney J. G. Minkert acquittal was granted the defendant.

## ANNOUNCES FOR CONGRESS.

Corsicana, Texas, March 23.—Luther A. Johnson announces today that he will be a candidate for Congress from the Sixth Congressional District. Other citizens of the district have been mentioned for Congress including: Judge W. C. Davis and Representative Lee J. Rountree, of Bryan; Major Ike Ashburn, of College Station; Judge John Watson, of Cameron; Judge Joe Webb, of Madisonville; Hon. E. A. Camp, of Rockdale; Hon. Mark Wiggington and A. M. Frazier, of Hill county.

## JURY COMMISSIONERS CONCLUDE THEIR LABOR

District Judge Davis at the close of the present term of the Brazos County District Court approved the following jury commissioners: J. D. Martin, Bryan; Douglass Peters, Harvey; Tom Benbow, Tabor. The commissioners met Friday and made their report for jurors which will be opened for next term of the district court.

## Navasota Officers Notified Bryan Police of Auto Thieves

(Navasota Examiner-Review)

Friday night just before evening service of the revival was over at the Methodist church three men driving a Buick roadster stopped and appropriated an extra casing from the car of T. B. Terrell, which was parked at the church. Melvin Elliott saw the men take the tire and his prompt action in reporting the fact resulted in catching the thieves, who beat hasty retreat, going toward Bryan.

Officers at Bryan were notified and a number of local men in their cars gave chase. The fugitives were pressed so closely that they threw away the stolen tire at Bradley's Hill and continued their flight. Bryan officers met the trio at College Station and arrested them. Upon being brought back to Navasota one of the men confessed that he had taken the tire, and they were placed in jail.

Before any disposition of the case could be made this morning a letter was received from the authorities in Waco stating that a Buick roadster had been stolen from Dr. C. E. Collins there on March 20th, and asking that a lookout be kept for it. An examination of the car driven by the men under arrest disclosed the fact that it was the car that had been stolen in Waco, all the details of the description received here corresponding except the state license number, which had been changed.

The three men under arrest give their names as J. A. Mann, Clarence L. Hudson and W. V. Murphy and say their home is in Mart. They were still in confinement this afternoon, but upon payment of their fine here will probably be returned to Waco to answer for the theft of the car from that city.

## Mighty appetizing to open the day with Kellogg's Corn Flakes

Those big, sunny-brown "sweet-hearts-of-the-corn" just seem to get things going right, from the littlest "star boarder" to the eldest! For Kellogg's Corn Flakes hit-the-spot as no other cereal ever could; and they are a continuous taste-thrill!

Tempting in their appearance, wonderful in supreme flavor and crunchy and crispy to the very last degree, Kellogg's Corn Flakes are really and truly a revelation in good things to eat—for breakfast, for any meal and for between-times nibbles!

How all your folks will delight to get Kellogg's; how they'll appreciate Kellogg's crispness. For, Kellogg's are never tough or leathery or hard to eat! You'll see big and little bowls come back for "some more Kellogg's, Mother, please!"

When you order Kellogg's today—insist upon getting KELLOGG'S—the delicious Corn Flakes in the RED and GREEN package! It bears the signature of W. K. Kellogg, originator of Corn Flakes. NONE ARE GENUINE WITHOUT IT!

Bear in mind KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLELAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLELAND.

**Kellogg's CORN FLAKES**

### MEMBER OF ASSOCIATED PRESS

Joe Taylor says in the Dallas News: "Of course it is none of our business but when a girl's lips are red and her tongue white it ought to be painted to match." Joe, we may have to act as a pall-bearer at your funeral soon—when we expected.

With Governor of Illinois; the governor of Oklahoma and the governor of Mississippi charged with various high crimes and misdemeanors is it any wonder there is a spirit of mob-law in the land? Our great officers should remain within the law in these crisis-times.

The Bryan Daily and Weekly Eagle is devoting more space to the local affairs of Bryan, College and Brazos county than any newspaper ever published in Brazos county. The amount of local reading matter runs from 350 to 500 inches every day. It carries more reading matter than any paper in Texas of the same size.

The Eagle wishes to commend the able writings of Editor J. T. Webster, Jr., of the Paradox. It is a pity a newspaper of this class cannot command more financial success although we know our friend Webster is able financially to run his paper. Success to him is our sincere wish.

Editor Webb, of the Christian Commonwealth, (North Zulch) says: "Prof. A. Caldwell Ellis stated a truth the other day which people would do well to ponder, when he said that education is undoubtedly expensive, but by no means so expensive as ignorance." The world is calling long and loud for men who can do the real things and thousands are walking the streets in ignorance, who claim they can work and who do not know what to do or where to begin. They have no mission in life and expect to do these things; they cannot do because their hands, their hearts and their purposes have no education or training. Ignorance is pitiful.

### THE AD ON THE FENCE

(By Bob Adams)

I love my country's rocks and hills and feign would move from off her hills the billboard ads for liver pills. I love to gaze on some old barn that stands by wood or rock or tann. I love its curves and graceful lines, its weathered boards from oaks and pines. I love its silo, cribs and mows, its Plymouth Rocks and brindle cows; my farm-born heart with pleasure swells when I inhale its rich, ripe smells. But oh, I hate to see its back exposed to road or railway track, in glaring paint give doubtful dope on someone's double action soap, or urge relief from human ills by chewing sixteen horsepower pills. Around you curve the engine scoots, and way-worn travelers press their snoots against the duty windowpanes, while tired eyes and weary brains drink in the peace of hills and plains. Forgetting cares and lack of cash, they gaze on fields of succotash. Green growing groves where dryads roost and babbling brooks their spirits boost. To keep these haunts for nymphs and Pan, the bilious billboard let us ban.

## BEAT THE ROBBERS—PUT YOUR MONEY IN BANKS.

(Corpus Christi Daily Times)  
The way to beat out the crooks who are creating a reign of terror in many cities and lonely country districts, is not merely to jail them for long terms when caught, but to reduce the profits of their business. One reason for the crime wave, is the temptation offered by many people who carry large sums of money on their persons. There are a lot of men who will stick away a wad of \$100 or more in some pocket, not even bothering to safeguard it by placing it in a purse. They take chances not merely of theft, but even more that it will work out of their pockets and fall to the ground without their noticing it. If people would keep all spare cash deposited in banks, and would carry only a few dollars of money in their pockets, paying bills largely by checks, the hold-up business, which is flourishing in large cities and on the automobile roads, would soon die out, as the risks would be too great for the profits.

### WHEN SAM MEETS SAM.

The Eagle is anxious to know what Sam Miller will say now to Sam Hill when they meet at the State Rotary Convention next week at Mineral Wells in the Palo Pinto hills.—Bryan Eagle.  
We never outline a conversation in advance or we would satisfy the curiosity of Lee Rountree. We can say however, that when Sam meets Sam the greetings will not be in line with that of the famous North and South Carolina governors.—Sam Miller in Mineral Wells Index.

### SUPREME IGNORANCE.

John Smitherman, a negro and John Smithson, a white man were placed in the county jail at Tulsa to protect them from being whipped. We are opposite to mob law. But we will suggest to the officers in Oklahoma that if they had done their duty and had Smitherman and Smithson in jail for the crimes they had already committed they would not have been whipped in the first place. The Oklahoma officers ought to get a new vision of their duty.—Bryan Eagle.

Lack of vision of the part of officers, lack of perspective of duty on the part of judges, lack of inclination on the part of business and professional men to serve on juries and the taking advantage of technicalities by attorneys are the main contributing causes to the rapid growth of the Ku Klux Klan.—Mineral Wells Index.

Self satisfied and supreme ignorance on the part of some judges, newspapers, preachers and many citizens, who have been considered astute is the real cause of the present trouble and lawlessness. There have been ridiculous charges by judges, some pitiful editorials by newspapers, some ridiculous sermons by ministers which are bearing their fruit and if continued will ultimately bring on mob law. Ignorance and venality in our public men will cause great trouble. Let all study well, act well and do their whole duty and the crime wave will recede and thousands of men who are now criminals will go to work.

The Bryan Buiding and Loan Association is doing a great and enduring work in Bryan.

### GOOD MAN'S ELOQUENT TRIBUTE STRIKES HOME.

(Ben F. Harigel in LaGrange Journal)

Frequently have you heard the statement: "You will feel differently about it when it strikes home." Which is but another way in telling you that it is when the affliction comes home that you begin to take notice. Lee Rountree of the Bryan Eagle has been humorously inclined in the last two weeks, due to the happenings he now experiences as the result of the recovery from an attack of pneumonia by his beloved wife. It is indeed pardonable to refer to him in this connection, for having penned that beautiful tribute to prayer which is here reproduced. As you read it and there comes to you, dear reader, a desire to say Amen to his rhetoric, apply its worth to the full interest of this editor's good wife who left the home last Thursday to enjoy a visit with Bartlett relatives and was unable to return home and instead became a patient at the Temple hospital. As this is written, Saturday night, all nature seems to be at rest, the home is so still that its very silence mocks me, yet there burns a strong hope that, as she for the fourth time passes under the influence of an anesthetic and submits to a surgical operation, she will recover. I felt just as Lee did when he sat at the side of the patient, his wife, in the hospital and heard her say: "I hope they will pray for me." Read what this big hearted man has written which is given in full and has appeared in nearly every newspaper in Texas.

## FISHING SEASON IS HERE.

We understand that there is a great big black bass out in Medina Lake that has been there for years and is as big as a fat pig. He knows Sam Miller, Sam Harben, Sam Fore, Sam Fryar, Sam Holye, Sam Holloway, Sam Williamson, Sam Braswell, Sam Hill and the other Texas press fishermen by sight and refuses to "take the hook." The Sams will never have to apologize to the game warden for catching old black bass and he will live to a ripe old age and finally go to fish heaven. There is now no bait that will tempt him and these "gentlemen of leisure" might as well stay at home this spring.—Bryan Eagle.

### THAT MEXIA "GUN CLUB."

A message from Austin states that Governor Neff will be in Mexia tomorrow to confer with the people regarding conditions here and in the nearby oil fields. The Evening News presumes to speak for the law-abiding people of this community when it throws down the gauntlet to the "Gun Club" who threatened the governor with a coat of tar and feathers should he ever come to Mexia again. Mr. "Gun Club," Governor Neff is coming and loyal Mexia dares you to attempt to carry out your threat.—Mexia Evening News.

Nick, generally when the rough-necks and gutter rats continue such pranks as this and get whipped or tarred and feathered they whine and whimper about it, and some judges, newspapers and preachers shed crocodile tears over them, and every crook, hijacker and criminal thinks they have a friend in court and they go on with their lawlessness. We are opposed to criminals, crooks and hijackers threatening the governor of Texas. Let's begin on the right line to stop the crime that is sweeping over Texas.—Bryan Eagle.

Let's choose the lesser of the two evils, and indulge in a little whipping rather than be run over roughshod by the lawless element. Parents whip their children as a punishment for doing wrong; then why not spank derelict grownups when they violate the laws of the land or the rules of decent society despite the fact that some judges, newspapers and preachers are standing in with and defending the worst criminals of all time?—Mexia Evening News.

Even Ireland hasn't sense enough to know when to quit fighting and go to work. It's a pity.

The West Navarro County editors including Editor White, of the Richmond Record; Editor Nallen of the Rustler; Editor Woodson, of the Blooming Grove Times and Editor Kelly of the Frost Star, met in Corsicana the other day and decided to organize and work together for their section. The Eagle hopes and believes much good will come from the organization in the development of community interests.

### MRS. JENNIE E. MONTGOMERY IS BURIED AT HOUSTON

Mrs. H. B. Stoddard returned from Houston yesterday where she attended the funeral of her sister, Mrs. Jennie E. Montgomery who died at the ranch home of her daughter, Mrs. L. C. Bains, near Brookshire, Texas.

Burial was made in Hollywood Cemetery at Houston on March 20, Rev. T. J. Windham, Episcopal minister, officiating. Mrs. Montgomery is survived by one son, W. K. Montgomery of Houston, and one daughter, Mrs. L. C. Bains of near Brookshire, Texas. Four sisters, Mrs. A. M. Lawson, Mrs. H. B. Stoddard of Bryan, Mrs. A. L. Beauchamp of Fort Worth and Mrs. J. C. Brasher of Houston. Mrs. Montgomery resided in Bryan some years ago, and will be remembered by many of the old residents.

District Agent J. E. Stanford is at home on a visit to his family and reports a great meeting at Clarksville.

## COUNTY AGENT BEASON VOTED BEST AGENT BY BRYAN ROTARY CLUB

The Rotary Club of Bryan Wednesday initiated with appropriate ceremonies, two new members, Mr. C. L. Beason, the county demonstration agent, and Mr. L. G. Jones, Y. M. C. A. secretary at College. Mr. Jones delighted the Rotarians with a solo, and Mr. Beason was asked to make a speech on the subject, "Why I Favor the Chicken Ordinance" but declined to do so, and was punished by being compelled to eat at a separate table for the entire luncheon. They are now full fledged members of the Rotary Club of Bryan.

The program for the day was in charge of Secretary Oak McKenzie, who conducted a newspaper item contest, with the object of reporting the most unlikely event concerning the work or life of the two new members. The item awarded the prize was as follows: "At a recent contest held in Texas, Mr. C. L. Beason was voted the best demonstration agent in Texas." This was a good contest.

The next number on the program was a photographic contest of prominent men over the world. The Rotarians showed themselves to be readers of current events and observers of a high rank, for pictures of Poincaré of France, Madame Curie, Elihu Root, Cleveland, Dr. Frank Crane, President Obregon of Mexico, and others were readily recognized.

Mr. T. K. Lawrence has as his guest, Reverend F. M. C. Bedell Episcopal rector at Houston who belonged to a Rotary Club in Pennsylvania before coming to Texas. He gave a very impressive talk on the value of Rotary to a community. After the luncheon, those who expect to attend the Rotary convention at Mineral Wells next week met and organized themselves into a Booster Club for A. and M. and Allen Academy and adopted the colors and arm-bands of the two schools. The following members are slated for attendance at the convention at Mineral Wells: T. K. Lawrence, E. E. McAdams, R. O. Allen, W. S. Barron, J. T. S. Parks, H. H. Williamson, M. E. Wallace, Wilson Bradley, Ike Ashburn, D. L. Wilson and Tyler Haswell.

Those present yesterday at the luncheon were: President T. K. Lawrence, Secretary Oak McKenzie, F. L. Henderson, J. T. S. Parks, Wilson Bradley, C. E. Friley, H. H. Williamson, Major Ike Ashburn, W. S. Barron, D. L. Wilson, L. G. Jones, County Agent C. L. Beason, Lee J. Rountree, Prof. R. O. Allen, M. E. Wallace, D. Ernest Moore, Tyler Haswell, Jno. M. Lawrence, M. L. Parker, Sam Parker and Sam E. Eberstadt.

Sandifer, Alpine; Mrs. J. Y. Baker, Alvarado, Mrs. T. A. Cloud, T. W. Griffith, Dallas; Paul D. Page, Joe Howard, Dallas; Haswell, J. C. Skains, Mrs. Tyler Haswell, J. C. Skains, Mrs. W. T. J. H. Allen, W. T. James, Mrs. W. T. James, Mrs. Will Ball, Mrs. W. S. Collard, Mrs. R. H. Ballerstedt, Miss Grace Bowman, Mrs. Mabel Castles, Mrs. Maggie Harris, Mrs. L. H. Tucker, Henry Crenshaw, Mrs. Nannie Rohde, Mrs. J. D. Ganter, Mrs. Ollie Miller, Mrs. W. H. Cole, Mrs. S. H. Higgs, Mrs. J. N. Cole, Mrs. J. M. Caldwell, Miss Lola Wilson, H. P. Dansby, Mrs. F. D. Fuller, Mrs. Clarence Vick, Miss Daisy Worley, Tony Chippetta, Geo. Stephan, Mrs. L. L. McInnis, Mrs. J. W. James, Mrs. Chas. Nitch, Miss Elsbeth Wipprecht, Mrs. T. C. Nunn, Mrs. N. R. Newton, Mrs. A. M. Waldrop, Wallace Peverly, Mrs. Jno. K. Parker, Miss Ida Parker, Mrs. P. H. Hensarling and P. H. Hensarling.

Donations—Mrs. Hill Wilson, Mrs. Jno. E. Astin.

### THE REMODELED BRAZOS CAFE.

Opened to the public today, serving an excellent luncheon from 11:30 a. m. to 2 p. m. The entire building is newly remodeled and the diningroom is one of the most attractive in this section, the tables were beautifully decorated with carnations and other flowers, and a six piece orchestra furnished the music. There will be dinner with music this evening, 5:30 to 8.

## WEAK, NERVOUS, ALL RUN-DOWN

### Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. 'I saw after taking some Cardui that I was improving. The result was surprising. I felt like a different person.'"

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me. . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere.

## BRAZOS COUNTY IS A VERITABLE GARDEN SPOT AT THIS TIME

Mr. C. C. Dulaney was a business visitor at the Eagle office Thursday morning. Mr. Dulaney stated that in many communities in Brazos county the corn is up to fine stand. He says spring is here really and the people are going to work in dead earnest for a 1922 crop.

County Assessor J. M. Darwin, who has been over Brazos county on an assessing trip, declares the whole county looks like a veritable garden and the land is in fine shape for the coming crop. Mr. Darwin says that he has never seen prospects brighter for a crop. This will be good news and will cheer everybody as the prosperity of the farmer is necessary to the prosperity of all.

### WHEELLOCK NEWS ITEMS

(Billad in Hearne Democrat)  
Wheelock, March 25.—We are still wrestling with old winter in these diggings and while we have had mostly dogfals we feel encouraged to believe we are gradually winning the match as the prairies are growing greener, the little daisies are peeping out, the dewberries are blooming, the hollyhocks are sprouting, we old fellows are feeling colty and the doodle bugs are singing. Come, oh spring, gentle spring, we need you."

Mrs. J. H. Scasta, Jr. has been quite sick the past week. Her life being despaired of at one time. At this writing, however, her condition is pronounced more hopeful by her attending physician, who believes she is on the road to recovery.

Dr. A. L. Mondrick of Bryan has been professionally engaged in his village for several days the past week.

Mr. F. Wager and Messrs. Fritz and August Hahn from the Kurten neighborhood in Brazos County were business visitors to Wheelock during the sunny days of the past week.

Mr. J. W. Green from the live and progressive agricultural Tabor community of Brazos County, mingled with our people recently, and purchased some live stock in order to take home with him.

Mr. George Davlin, one of Robertson County's popular and efficient sheriffs of former days, spread the sunshine of his presence the past week among us, purchasing stock. He has the happy faculty of leaving some happiness with all whom he comes in contact with, whether it is in buying white-faced calves for profit or petting red-faced children while running for office.

Mr. Ray Payland, one of the progressive young business men of Hearne was an appreciated Sunday visitor in our midst.

A good man sees his own image in his fellowman; a bad man always sees a scoundrel there. The man who is compassionate and considerate towards his fellowman shows that his heart is like the noble tree that is wounded itself when it gives out the balm. Every man should try to deal honestly in his business transactions and not build his house on schemes that are not sound and will fail. Too many men are always criticizing and are failures in business and activities.

### MRS. O. A. JONES DIES AT HER HARVEY HOME.

Mrs. O. A. Jones, wife of Mr. O. A. Jones, of Harvey, a sister of Mr. J. H. Todd, assistant cashier of the First National Bank of Bryan, died at her home at Harvey Friday afternoon at about 4 o'clock. She is survived by her husband who is a farmer of Harvey and two small children. The funeral was held from the home with interment at the Harvey cemetery Saturday afternoon at 3 o'clock. The Eagle laments the passing of so good a woman as Mrs. Jones.

"Old timers" in Bryan are complaining of an unusual crop of cut worms in the gardens this spring, and "before sunrise," amateur gardeners are out with murder in their hearts in quest of the pests that are destroying the early radishes.

**MAYOR HASWELL RECEIVES FLOWERS FROM INDIANAPOLIS MAYOR**

Mayor Samuel Lewis Shanks, of Indianapolis, better known throughout the nation as Lew Shanks is a charter member of "Flowers for the Living Club" of the United States and at the opening of the National Flower Show in Indianapolis Saturday wired a number of mayors greetings and "said it in flowers" Mayor Tyler Haswell, of Bryan, was one of the mayors remembered and was greatly surprised when a beautiful bouquet of carnations and ferns was delivered at his home. The message said: "On the opening day of the fifth annual national flower show it gives me great pleasure to extend to you a message of flowers by wire." The card was signed by Mayor Samuel Lewis Shanks of Indianapolis.

At first the delivery of the flowers was thought to have been a mistake as Mayor Haswell is not in the habit of receiving bouquets. But the telegram came as an explanation. The Eagle understands that Mayor W. D. Yett, of Austin, Mayor Oscar Holcombe, of Houston, Mayor Swanee Aldredge, Dallas, Mayor Chas. A. Keenan, of Galveston, and others got similar bouquets. The Eagle offers congratulations to Mayor Tyler Haswell as a worthy member of the "Flowers for the Living Club." Its principles are world-wide and eternal. It has a great membership of patriotic men and women and none are worthier of its glorious faith and tenets than Mayor Shanks, of Indianapolis, and Mayor Haswell, of Bryan.

## TOM RAYSOR WON A DESERVED HONOR AT HARVARD UNIVERSITY

(By Mrs. Lee J. Rountree)

News comes from Boston that Bryan has again been honored through one of her sons, Tom Raysor, son of Dr. and Mrs. P. M. Raysor, who has this year completed his Ph. D. degree at Harvard University and for high rank of scholarship and good character has won the Sheldon Fellowship which carries with it travel in Europe and \$1,200 expense money. Immediately upon the close of Harvard commencement Tom will leave Boston for Europe and travel until late fall when he will enter Sorbonne University, Paris, France, where he will continue further his studies in English Literature. This is not Tom's first time at Sorbonne. At the close of the war he spent five months there, sent by the government on an educational furlough before returning to U. S. A.

Tom was reared in Bryan and received his early training here, graduating from Allen Academy. Later he studied at State University and Columbia University believing in a change he got new ideas which were helpful. He returned to Bryan and taught Latin for a year in Allen Academy and also taught English at A. & M. College for one year. He was teaching at A. & M. when war was declared, enlisted in the service and went over seas with the 90th Division Field Artillery spending more than a year over there.

Five years has been spent at Harvard at different times and each year he won a scholarship. All of his degrees have been made at Harvard. With his A. B. degree he was awarded the highest distinction that can come to a student, Summa Cum Laude; a \$600 scholarship was won with his M. A. degree and now with his Ph. D. he is awarded another honor the best Fellowship Harvard has to bestow. This is indeed a record to be justly proud of and all Bryan appreciates Tom and the credit he has reflected upon his home town and predict for him greater achievements in his new fields of labor. Tom is not only a student but an athlete. While at Chicago University he won the silver cup in the mile race gaining for himself a reputation. With him will go the best wishes of hundreds of friends, who will watch his career with interest, wish for him further merited success.

**PANSY RUTH'S BIRTHDAY.**

Pansy Ruth Lindsey, little daughter of Mr. and Mrs. Walter Lindsey, on Saturday afternoon from 3 to 5 o'clock celebrated her sixth birthday. The little hostess had invited fifteen little tots to make merry with her on this occasion. But on account of the heavy rainfall, there were but seven present. When 3 o'clock came the little guests began to arrive and as each one came, the little hostess would meet them with a smile. Each one gave her real presents, and as she would thank them in her own childish way she would carry them in the library room where her mother greeted them with welcome. They played games of different kinds and out on the lawn they romped and played until 5 o'clock came. Then they were all invited in the prettily decorated dining room. There were beautiful flowers in vases on the table with wreathes around the vases. The table was spread with a snow-white cloth and in the middle was the big birthday cake, it being red, white and chocolate. And the flowers placed around it and the windows being draped with pink crepe paper. As Mrs. Ramsey cut the cake and passed it to all, Mr. and Mrs. Lindsey passed the brick cream and when that was served a box of candy was passed. Each one carrying home with them some pretty stick candy. Those present were: Edna Pearl Ramsey, Cathleen Keller, Monky Stevens, Ila Stevens, Dora Bonna, Pansy Ruth Lindsey and L. J. Ford. The ladies were Mrs. E. J. Ford, Mrs. Charles Ramsey, Mrs. Pete Bonna, and Miss Lucile Ford of Dennison.

**NOTICE OF SALE OF PERSONAL PROPERTY**—Whereas by an instrument in writing dated January 30th, 1922, and duly filed and registered in the Chattel Mortgage Records of Brazos County, Texas, in Volume 3, page 145, A. C. Bailey, joined by his wife, Mrs. A. C. Bailey, did give and grant to the A. & M. College Club, a corporation of Brazos County, Texas, a mortgage on the following described personal property, to-wit: All household and kitchen furniture then owned by them and located on the campus grounds of the Agricultural and Mechanical College of Texas, in the building known as the "Shirley Hotel" and the "Annex" to same, including all dining room tables, chairs, furniture, dishes and other equipment used in the dining room operated by them in connection with said Shirley Hotel and Annex, and also all kitchen utensils, stoves, ranges and equipment then in or connected with said buildings, and all bed room sets, beds, bedding, chairs, tables, furnishings, wash stands, drawers, stoves and all other furniture and equipment used in the bed rooms in said buildings, and also all other furniture, desks, fixtures and equipment of any and every kind then located in or connected with said buildings or either of them, saving and excepting from said property, however, the following described property claimed by said Mrs. A. C. Bailey as her separate property and which was excepted from said mortgage, to-wit: One (1) kitchen cabinet, one (1) dining room buffet, one (1) china closet, one (1) ladies writing desk and one (1) bedstead, and for further description of said property reference is here made to said Chattel Mortgage and its said registry, said mortgage being given to secure said A. & M. College Club in a certain promissory note, dated January 30th, 1922, for the sum of Twelve Hundred (\$1200.00) Dollars, and executed by said A. C. Bailey and Mrs. A. C. Bailey, payable to said A. & M. College Club or order on or before July 1st, 1922, with interest from date at rate of eight (8) per cent per annum, and said note also containing the usual ten per cent attorney's fee provision; and whereas said Mortgage specially provides that if said mortgagors should remove any of said property from its then location, or if the holder of said note should at any time feel unsafe or insecure for any cause, the said mortgagors should have the right to declare said note due and take possession of said property and sell same at public auction for cash on the campus grounds of said College or at any other place in Brazos County, Texas, it might see fit, with or without having said property present at said sale, after having given notice of the time, place and terms of sale as the law requires for sales of property under execution, the proceeds of said sale to be applied to payment of expenses of said sale, and to the payment of said note, and the balance, if any remaining of said proceeds of sale to be paid to said mortgagors or their order; and whereas said mortgagors have removed a part of said property from and location and whereas both of said mortgagors have abandoned the rest of said property and moved away from said A. & M. College, and the holder of said note feels unsafe and insecure, and pursuant to the provisions of said mortgage has declared, and hereby does again declare, said note fully due, and has placed same in the hands of an attorney for collection: Now therefore notice is hereby given that the said A. & M. College Club, being the legal owner and holder of said note, by virtue of the authority given to it under and by the terms of said mortgage, will offer all of said mortgaged property for sale, at public auction for cash in front of the said "Shirley Hotel" on the campus grounds of said Agricultural and Mechanical College of Texas, in Brazos County, Texas, on the first Tuesday in April, A. D. 1922, between the hours of 10 o'clock a. m. and 4 o'clock p. m., the proceeds of said sale to be disposed of as provided by said mortgage. Witness the signature of said A. & M. College Club, acting by O. M. Ball, its president, and R. F. Smith, its secretary, this 22nd day of March, A. D. 1922. A. B. M. COLLEGE CLUB. By O. M. BALL, President; R. F. SMITH, Secretary.

**REAL ESTATE WANTED.**  
Money making farms in Arkansas and in other states to trade for Texas property. If you have any real estate of any kind for sale or exchange, write me at once, giving full description of property. John D. Baker, DeQueen, Arkansas.

## CORN ACREAGE IS ON INCREASE IN TEXAS

(By Associated Press)

Dallas, Texas, March 27.—Acreage in corn probably will be slightly increased in Texas this year, the Texas Industrial Congress declared today in announcing a summary of reports received from correspondents in ninety-seven counties. The increase probably will be from two to five per cent higher than last year, according to the announcement. The United States Department of Agriculture estimates the state's corn acreage in 1921 at 6,227,000 acres with a production of 156,920,000 bushels, the Industrial Congress stated. The ten year average acre yield for Texas is 19.4 bushels, according to the Congress, and in 1921 it was 25.2 bushels.

The following counties, the congress announced indicate an increased acreage over that of 1921: Angelina 10 per cent, Bowie 15, Bee 20, Burleson 25, Caldwell 10, Calhoun 15, Cass 15, Childress 10, Clay 20, Coleman 25, Collin 5, Crockett 75, Crosby 5, Eastland 15, Erath 15, Fannin 5, Fayette 5, Fort Bend 10, Freestone 20, Goliad 15, Harris 12, Harrison 15, Hunt 10, Jefferson 10, Jones 10, Kaufman 15, Kendall 20, Lavaca 25, Lipscomb 75, Lubbock 20, Milam 10, Montgomery 10, Navarro 15, Palo Pinto 5, Panola 10, Parmer 20, Potter 30, Runnels 25, Stephens 10, Throckmorton 25, Travis 10, Trinity 15, Uvalde 25, Waller 25, Washington 5, Willacy 25, Yoakum 25.

A probable decrease in acreage is reported by the following counties: Bell 10 per cent, Bosque 10, Coke 15, Concho 75, Coryell 10, Dawson 10, Dickens 10, Donley 25, Ellis 5, Falls 10, Frio 10, Hale 20, Hays 5, Hopkins 5, Leon 10, Live Oak 15, Lynn 20, Medina 15, Parker 10, Rains 10, Wichita 20.

Twenty-nine counties estimate a normal or average acreage as follows: Bandera, Castro, Collingsworth, Dallam, Dallas, Delta, Denton, Dewitt, Galveston, Garza, Gray, Grayson, Hamilton, Hardeman, Hood, Jim Wells, Johnson, Lamar, Marion, Mills, Mitchell, Morris, Nacoches, Nueces, Reagan, Refugio, Robertson, Tarrant and Smith.

In 1919, according to the United States census bureau, Texas had 4,748,655 acres in corn from which were harvested 108,377,282 bushels, an average yield per acre of 22.8 bushels. The average yield for the United States in 1919 was 26.9 bushels.

**MR. PARK OF MEXIA VISITING IN BRYAN**

Mr. J. Howard Park, of Mexia, a brother of our fellow-townsmen, Phocian S. Park, came down Saturday to visit relatives and attend the great Crimm meeting. Last night when Dr. Jno. A. Held declared he must have two more \$2.50 subscriptions Mr. Park simply announced, "Put me down for both of them, \$5.00." We are always glad to see Mr. Park in Bryan.

**WOMEN TO HOLD MEETING**

The wives of federal students and other Bureau trainees, making their homes in Bryan and vicinity are requested to attend a meeting at Carnegie Library on Tuesday afternoon at 3:30 o'clock, at which time a Domestic Science Club will be organized. This club will have for its membership these women, and it is hoped that every one will attend. A helpful and delightful program will be outlined, and the meetings of the club will give opportunity for the women to meet and know each other socially. Mrs. J. C. Patterson will preside at the called meeting.

**DEATH OF MR. EWING.**

Miss Leila Ewing, secretary in the office of H. H. Williamson at A. & M. College, was called to Dallas by a telegram announcing the death of her father, L. S. Ewing, at John Hopkins Hospital, Baltimore, where he had gone for an operation. The body was brought to his old home in Dallas for interment and the funeral was conducted from the residence in that city Sunday at 4:30 p. m. Deceased is survived by his wife, and three daughters, Mrs. Gordon Johnson, Mrs. Grady Garrett, all of Dallas, and Miss Leila Ewing, who for the past year has made her home in Bryan. Many friends in this city deeply sympathize with Miss Ewing and her family in this dark hour of bereavement.

**NORD SAYS THE CHANGE IN WIFE IS WONDERFUL**

CAN SEE HER IMPROVING EVERY DAY SINCE SHE STARTED ON TANLAC—HAD SUFFERED FIVE YEARS FROM DYSPEPSIA.

"My wife is improving so fast since taking Tanlac that I can almost see the change for the better every day. Already she is beginning to look like a different person," said Hyman T. Nord, 2408 Lucile St., Dallas, Texas.

"It certainly is remarkable, in fact, I just can't understand it, but it's true, that Tanlac is rapidly overcoming five or six years trouble that my wife had from indigestion and stomach trouble. For the past five or six months she has been in an especially serious condition and I was very much alarmed about her."

"She is on the road to health now, however, and at the present rate at which she is improving in a short time she will be as well and strong as she ever was in her life. Since Tanlac is the only thing that has ever helped my wife, although we had tried many different medicines and treatments, I am convinced that it has extraordinary merit."

Tanlac is sold in Bryan by N. A. Stewart and all leading druggists.—Advertisement.

## 319 Acres

fine timbered land, three miles of Gause, Texas, 12 miles from the Minerva oil field to trade for a stock of dry goods and groceries. Will pay or give difference.

**E. B. Luce,**  
Memphis, Texas

A radio telegram from a steamer out in the Pacific Ocean has been received in Bryan, saying that Mrs. Marjory Bittle Hill will arrive in San Francisco in a few days and from there she will come to Bryan shortly. She is returning from the Philippine Islands.

Clarence Skaines has returned from a visit to his parents, Mr. and Mrs. Will Skaines at San Antonio. The mother has been quite ill for the past several weeks but is reported some better.

"Old timers" in Bryan are complaining of an unusual crop of cut worms in the gardens this spring, and "before sunrise" amateur gardeners are out with murder in their hearts in quest of the pests that are destroying the early radishes.

## MAYOR HASWELL RECEIVES FLOWERS FROM INDIANAPOLIS MAYOR

Mayor Samuel Lewis Shanks, of Indianapolis, better known throughout the nation as Lew Shanks is a charter member of "Flowers For the Living Club" of the United States and at the opening of the National Flower Show in Indianapolis Saturday wired a number of mayors greetings and "said it in flowers" Mayor Tyler Haswell, of Bryan, was one of the mayors remembered and was greatly surprised when a beautiful bouquet of carnations and ferns was delivered at his home. The message said: "On the opening day of the fifth annual national flower show it gives me great pleasure to extend to you a message of flowers by wire." The card was signed by Mayor Samuel Lewis Shanks of Indianapolis.

At first the delivery of the flowers was thought to have been a mistake as Mayor Haswell is not in the habit of receiving bouquets. But the telegram came as an explanation. The Eagle understands that Mayor W. D. Yett, of Austin, Mayor Oscar Holcombe, of Houston, Mayor Swanie Aldredge, Dallas, Mayor Chas. A. Keenan, of Galveston, and others got similar bouquets.

The Eagle offers congratulations to Mayor Tyler Haswell as a worthy member of "Flowers For the Living Club." Its principles are world-wide and eternal. It has a great membership of patriotic men and women and none are worthier of its glorious faith and tenets than Mayor Shanks, of Indianapolis, and Mayor Haswell, of Bryan.

## TOM RAYSOR WON A DESERVED HONOR AT HARVARD UNIVERSITY

(By Mrs. Lee J. Rountree)

News comes from Boston that Bryan has again been honored through one of her sons, Tom Raysor, son of Dr. and Mrs. P. M. Raysor, who has this year completed his Ph. D. degree at Harvard University and for high rank of scholarship and good character has won the Sheldon Fellowship which carries with it travel in Europe and \$1,200 expense money. Immediately upon the close of Harvard commencement Tom will leave Boston for Europe and travel until late fall when he will enter Sorbonne University, Paris, France, where he will continue further his studies in English Literature. This is not Tom's first time at Sorbonne. At the close of the war he spent five months there, sent by the government on an educational furlough before returning to U. S. A.

Tom was reared in Bryan and received his early training here, graduating from Allen Academy. Later he studied at State University and Columbia University believing in a change he got new ideas which were helpful. He returned to Bryan and taught Latin for a year in Allen Academy and also taught English at A. & M. College for one year. He was teaching at A. & M. when war was declared, enlisted in the service and went over seas with the 90th Division Field Artillery spending more than a year over there.

Five years has been spent at Harvard at different times and each year he won a scholarship. All of his degrees have been made at Harvard. With his A. B. degree he was awarded the highest distinction that can come to a student, Summa Cum Laude; a \$600 scholarship was won with his Ph. D. degree and now with his Ph. D. he is awarded another honor the best Fellowship Harvard has to bestow. This is indeed a record to be justly proud of and all Bryan appreciates Tom and the credit he has reflected upon his home town and predict for him greater achievements in his new fields of labor. Tom is not only a student but has also won distinction as an athlete. While at Chicago University he won the silver cup in the mile race gaining for himself a reputation. With him will go the best wishes of hundreds of friends, who will watch his career with interest, wish for him further merited success.

PANSY RUTH'S BIRTHDAY.

Pansy Ruth Lindsey, little daughter of Mr. and Mrs. Walter Lindsey, on Saturday afternoon from 3 to 5 o'clock celebrated her sixth birthday. The little hostess had invited fifteen little tots to make merry with her on this occasion. But on account of the heavy rainfall, there were but seven present. When 3 o'clock came the little guests began to arrive and as each one came, the little hostess would meet them with a smile. Each one gave her real presents, and as she would thank them in her own childish way she would carry them in the library room where her mother greeted them with welcome. They played games of different kinds and out on the lawn they romped and played until 5 o'clock came. Then they were all invited in the prettily decorated dining room. There were beautiful flowers in vases on the table with wreathe around the vases. The table was spread with a snow-white cloth and in the middle was the big birthday cake, it being red, white and chocolate. And the flowers placed around it and the windows being draped with pink crepe paper. As Mrs. Ramsey cut the cake and passed it to all, Mr. and Mrs. Lindsey passed the brick ice cream and when that was served a box of candy was passed. Each one carrying home with them some pretty stick candy. Those present were: Edna Pearl Ramsey, Cathleen Keller, Monky Stevens, Lila Stevens, Dora Bonna, Pansy Ruth Lindsey and L. J. Ford. The ladies were Mrs. E. J. Ford, Mrs. Charles Ramsey, Mrs. Pete Bonna, and Miss Lucile Ford of Dennison.

## PERSONAL MENTION

(From Wednesday's Daily).  
Mr. Allen Carr was among the visitors in Houston on Tuesday.  
Mrs. M. J. Parker received a telegram Tuesday that her grand-daughters, Mrs. H. J. Schlafly of Carlyse, Thursday for a visit. These two young women would arrive in Bryan on a visit. These two charming young matrons having been born and reared in Bryan, have many friends who hail their coming with delight.  
In the future the Green Parrott will be open Sundays. An old fashioned Sunday dinner will be served April 2nd.  
Genuine Dwarf Squaw corn seed at Hensarling, Phone 235.  
S. L. Boatwright has returned from a visit to Waco.  
Dr. A. L. Mondrick is in New Orleans on professional business for a few days.  
Two cars ear corn on track in front of our store. Buy it now. P. H. Hensarling, Phone 235.  
Mr. O. L. Tabor, of Wixon Lake, was in town Tuesday and paid the Eagle an appreciated visit.  
The squaw corn has come. P. H. Hensarling, Phone 235.  
Mr. and Mrs. D. Mike made a business trip to Hempstead and Courtney Tuesday.  
Car maize heads just came in. Phone us now. P. H. Hensarling, 235.  
Prof. W. L. Powers, who has been seriously ill, is improving.  
Oak McKenzie has returned from Galveston with his little son, Oak, Jr., where he underwent examination. The child will be taken back to Galveston for an operation in a few weeks. He is doing very well.  
Car load red top and amber sorghum seed now on track. P. H. Hensarling, Phone 235.  
Little baby Katherine, daughter of Mr. and Mrs. M. Lawrence Parker is ill with whooping cough.  
Mrs. P. S. Park was hostess for the Embroidery Club Tuesday afternoon at her home.  
Mrs. Linton Robinson who has been quite ill for some time is reported greatly improved.  
Cashier W. H. Cole, of the City National Bank, is confined at his home on account of illness. He went home from the bank this morning.  
Sheriff L. E. Morehead was called to San Antonio on official business from Houston and is expected home tonight.  
FOR SALE—We have now in transit three cars Maize Heads and two cars ear corn. P. H. HENSARLING, Phone 235.  
R. S. Webb, Jr., is in New Orleans for a brief visit.  
FOR SALE—Car sorghum seed red top and amber, now on our track. P. H. HENSARLING, phone 235.  
It is reported that a decided improvement is noted in the condition of Mrs. J. T. S. Park, who has been so seriously ill for the past several days.  
Mr. and Mrs. R. S. Webb are in New Orleans for a few days.  
FOR SALE—One car Maize Heads, just came in. Phone 235. P. H. HENSARLING.  
The Eagle acknowledges a thoughtful remembrance from Mayor Tyler Haswell—the proper thing at the proper time.  
D. E. Dowling of Millican is a Bryan visitor today and made the Eagle office an appreciated call.  
Professor and Mrs. C. E. Bobo of Tabor community were in Bryan Wednesday morning.  
Professor and Mrs. J. Horace Kraft and Mr. B. Sbisal of College were in Bryan today on business.  
L. M. Haste of the Brazos Bottom paid the city a visit Wednesday, in spite of the rain.  
FOR SALE—We have two cars ear corn on track in front of store. Better buy now. P. H. HENSARLING, Phone 235.  
How are you to be known as a live dealer if you do not advertise?

## CHAMBER COMMERCE WILL ESTABLISH THE BRYAN TOURIST CAMP

In the absence of President W. H. Cole, who is ill, Vice-President Jno. M. Lawrence presided over the meeting of the board of directors of the Bryan and Brazos County Chamber of Commerce, Secretary S. E. Eberstadt at the desk. Those present were: Dr. W. B. Bizzell, W. S. Barron, Wilson Bradley, J. N. Dulaney, Mayor Tyler Haswell, L. L. McKee, Major L. L. McKee, Lee J. Rountree, A. M. Waldrop, M. E. Wallace and D. L. Wilson.  
In the absence of Chairman J. M. Gordon, of the membership committee, Secretary Eberstadt reported the following new members: J. R. McKee, A. Mitchell, J. C. Maigne, Jno. W. Patton, Chas. Marten, W. A. Duncan and Reed's Cash and Carry Store.

County Superintendent Eck Smith, representing the Brazos County Interscholastic League, asked the Chamber of Commerce for a donation for medals for the winners in Bryan at the county meet to be held in Bryan at the Allen Academy field. The motion was referred to the Finance and Educational Committee for immediate action. Chairman Oak McKenzie of the City Development Committee and Chairman W. S. Barron of the Highway Committee, were granted further time in the Tourist Camp question.  
Dr. W. B. Bizzell, president of A. & M. College, stated that he had read in the Bryan Eagle that Thomas Rysor, a native of Bryan, had won great distinction at Harvard University and moved that a committee be appointed to draft resolutions of commendation and appreciation for the splendid achievement. President Lawrence appointed Dr. W. B. Bizzell and Lee J. Rountree to prepare a suitable resolution to be signed by Secretary S. E. Eberstadt and forwarded to Mr. Rysor at Harvard University.

Secretary Eberstadt reported that two solicitors for advertising scheme, were refused endorsement by the committee and were forced to leave town without getting any business as their promotions were regarded as unworthy. Five girls were in Bryan soliciting subscriptions for magazines and periodicals to secure scholarships but were not approved. Secretary Eberstadt stated twenty-eight girls were here in the past four months but they did not have satisfactory recommendations and credentials.

After general discussion of general matters by Dr. W. B. Bizzell, Mayor Haswell, A. M. Waldrop, Major L. L. McKee, Jno. M. Lawrence, W. S. Barron and other the meeting adjourned until next Monday morning.  
Mrs. George Foster of Brazos Bottom was the guest of her parents, Mr. and Mrs. W. P. Trant today.  
Louis Cook and John Lavender, of Martin's Prairie, Grimes County, were in Bryan on business today.  
Coach D. X. Bible, of College, was in Bryan today. He has just returned from his trip East where he attended the meeting of the Athletic Coaches of the United States.  
If you buy chicken feed, see Hensarling, he has just received a car load. Phone 235.

**BRYAN MUSICIANS HONORED**  
Bryan musical talent has been honored by an invitation to appear on the "Guests' Night Program" of the Spring Musical Festival in Navasota, April 15th to 18th inclusive. Mrs. Hendricks Conway, Miss Sara Williams, Mrs. W. C. Davis and perhaps others have been asked to contribute to the program of the evening, and Bryan is proud to know that her local talent is so attractive that Navasota has called it for their splendid musical event this year. Mrs. Ed. Leach of Navasota is chairman of program for the evening.

## DIRECTORS OF BAND URGED TO HEAR BIG CONCERT THURSDAY

All directors of the Bryan Junior Band and all patriotic citizens are urged by Manager George J. Nedabalek to be present at the big concert to be given in the city auditorium in conjunction with a program of boxing scheduled by the John N. Snell Post, Disabled Veterans of the World War, next Thursday night at 7:00 o'clock. The concert will be presented by about 38 of the more than 50 members of the band and Mr. Nedabalek promises an excellent entertainment for those who like to hear good stirring band music and for those who are interested in encouraging the boys' band here. "A city is known by its band," said Mr. Nedabalek Tuesday. "San Antonio has her Banda Juvenil, composed of young Mexicans of the city; Austin has the University of Texas Longhorn band; College Station has the Aggie band. Bryan has the Junior band, which I think can compete with any one of these organizations." The boys practice faithfully every Monday and Thursday nights of each week and the band made a distinct "hit" at Franklin on Trade Day. They featured the day, and many citizens told the members that when they heard the music begin they forgot the Trade Day celebration entirely and listened to the boys play.

Everybody is urged to come to the City Hall auditorium and hear the city's "own" band, which helps advertise Bryan. The Snell Post Veterans have completed making the matches for the boxing that will follow the concert. There is no admission. Two matches have been made between members of the post besides a "batle royal" participated in by five husky young negroes.

Miss Ruth Curry Lawler, supervisor of music of Bryan High school states the list of records to be used in the Music Memory Contest is now complete. Below is a list of same which will no doubt prove of interest, especially to the Parent-Teachers Association and the contestants of Bryan:  
Angel's Serenade—Gaetano Braga, Funeral March—Chopin, Perpetual Motion—Paganini, The Two Grenadiers—Schumann, Selection-Traviata—Verdi, "La Boheme" Musetta Waltz—Puccini, To Spring—Grieg, Last Rose of Summer—from "Martha", Toreador Song—from "Carmen" Bizet, Quartet in C major—Beethoven, Annie Laurie—Douglass-Scott, Lucia Sextette—Donizetti, Rigoletto Quartet—Verdi, O Solo Mio—Italian Folk Song, Hungarian Rhapsody No. 2—Liszt, Rustle of Spring—Sinding, La Paloma—Yradier, Morning from Peer Gynt—Grieg, Polonaise Militaire Chopin, Waltzing Doll—Peldini, Selection from Madame Butterfly—Puccini, To a Wild Rose—MacDowell, An Old Trysting Place—MacDowell, From an Indian Lodge—MacDowell, Stars and Stripes Forever—Sousa, Deep River—American Negro Folk Song, Humoresque—Dvorak, Polish Dance—Scharwenka, Unfold Ye Portals—Gounod's "Redemption", Angels Ever Bright and Fair—Handel, Eighth Symphony, 2nd. movement—Beethoven, Souvenir—Drdla, My Old Kentucky Home—Foster, The Death of Ase—"Peer Gynt"—Grieg.

## MUSIC FOR MEMORY CONTEST ANNOUNCED

**COLLEGE Y. M. C. A. GIVES A GOOD ENTERTAINMENT**  
The College Y. M. C. A. will entertain the Juniors Thursday at 8 o'clock. The program will be varied and will start with two one act plays, entitled, "The Maker of Dreams" and "The Matrimonial Fog". The cast for these plays will be composed of bachelors and their student and Bryan friends. Lindsay will produce one of his hair-raising hypnotic effects while Miss Julia Ball has consented to sing during the intermission. The Band orchestra will be on hand to render several musical selections. Refreshments will be served on the third floor after the plays have been given. It is expected that every junior who can will get a date, but the whole class is invited regardless of whether he has a date or not. In order to assure the conviviality of the occasion and to carry out the April Fool idea, it is expected that a large number of stags will be on hand. The plans are to start at 8 o'clock sharp and after an informal introduction to conduct the guests to the parlor where the stage setting has been placed. At about 9:30 the setting will be changed to the third floor for refreshments and games. The party will close in time to allow recuperation for Friday's classes and the 10:30 car to Bryan.

J. T. Caffey carries a "wallop" in both "breedhooks" the boys who have mixed it with him say.  
A. C. Taylor the "wise man" of the Snell Post veterans is learning to dance. He is teaching his wooden leg all the new steps.  
The Extension Service Club will meet with Mrs. T. O. Walton on College campus Thursday, March 30, at 3 p. m.

## BRAZOS COUNTY BOYS AND GIRLS CLUB DEPT.

Club Notes and Farm News by County Agent C. L. Beason

The Smetana boys and girls club went into organization last Friday by electing the following officers: Louis Wehrman, president; Miss Annie Cahill, vice president; Miss Richard Smith, secretary; Louis Fachorn, yell leader; Prof. J. J. Haisler, club leader. More than 30 of the Smetana boys and girls will enter the club work this year to win some of the handsome prizes offered for club activities. A social meeting of the club members will be held at the Smetana Consolidated School next Friday night. Better keep your eye on the Smetana Club. The boys from that school won 6th place in the stock judging contest at Fort Worth Fat Stock Show.

Since the clover has sprung up a number of cattle have been reported as having bloated, and it frequently happens that some good cows are lost in Bryan from this cause. It seems that the danger from eating clover is greatest when the dew is on, or just after a rain. Usually relief can be given the cow by tying a stick about the size of a chair post in her mouth, causing her to belch which gives relief. When the pressure on the stomach becomes so great that the animal can not walk, it is often necessary to resort to paunching, but to do this better call a veterinary and call him quick. Cattle pastured on clover for some time are not so apt to be affected with bloating, it is claimed.

Mrs. G. W. Emory has been having some good terracing done on her farm near Prospect on the Kurten road. Terracing is being recognized as one essential necessary to soil building, and the wise farmer will give heed to the best method yet devised to check soil erosion. Watch the farms that have been properly terraced increase in fertility. Occasionally, the strongest terrace will break under the load of a cloudburst or torrential rains. Sometimes a railroad dump washes out, but the railroad is not abandoned; the break is mended and made stronger than before.

Ask R. L. Jones on Route 6 what he thinks about terracing, even on sandy land, and that is the hardest to make stand.

The Tabor Boys' and Girls' "Victory" Club, under the leadership of Mr. E. C. Martin and Miss Mary Locke, had a most interesting meeting last Wednesday afternoon outlining plans for the year.

County Agent Beason will take luncheon with the Steep Hollow Club boys and girls on Wednesday of this week. Steep Hollow has the distinction of having the first club member to enroll in Texas this year, and Curtis Bullock is the member. The county agent rushed the membership card to the College in order to make it the first. Keep it first in everything, Curtis.

Ezra Bozeman, Tabor club member living at Zack sends in the following data on 30 S. C. White Leghorn pullets: "Since the 25th of February they have laid 749 eggs. In 30 days have sold \$4.05 worth of prepared feed. Have sold \$14.05 worth of eggs, have our incubator setting with 260, and have set two hens. We have good many eggs to eat at home. We have lots of orders we are unable to fill at present." (Signed) EZRA BOZEMAN, Club Boy.

Thank you, Ezra, for this good report. It will be interesting reading for the scores of poultry club members throughout the county.

Mr. Will Conaway, a progressive young farmer and breeder of standard bred R. I. Reds in the Independence community, was delivering eggs to hatchery on Monday. Quite a difference in selling eggs at five cents a piece and twelve cents a dozen. A check for ten or fifteen dollars each week for eggs is almost like "getting money from home."

Tommie Peele, superintendent of the Deming farm at Valley Junction, was in Bryan Monday, visiting the hatchery, Bryan Floral Company and shopping in town. When Mr. Peele was told he could not get baby chicks before May, the county agent directed him to Will Jones' ad in the Eagle and soon baby chicks were purchased and the "money changed hands."

The Tabor Short Course, held under the auspices of the Tabor Welfare Club and conducted by specialists of the International Harvester Company and the Extension Service of the A. and M. College of Texas, continues to bear fruit. At the opening of the short course County Agent C. L. Beason offered a prize to the club member who would write the best story of the short course. Four splendid stories, marked A, B, C and D were handed in and turned over to S. E. Eberstadt who has pronounced B the winner. It is learned that Miss Hettie Francis, reporter for the Tabor club, is author of the prize winning story, because of its excellence, is herewith reproduced:

**Tabor Short Course.**  
(Miss Hettie Francis)  
Owing to the unfavorable weather and bad roads our crowds at the Tabor Short Course were not as large as we expected, but we believe that we can pronounce the short course a decided success. Besides the part of the program that the Tabor school had prepared, there were splendid lectures by Mr. H. S. Mobley and Mrs. Bertha Dahl Laws, of the International Harvester Company, and Mr. A. K. Short, of A. and M. College. On Friday night Mr. Mobley delivered a lecture on "Communities Are Made of Folks," calling our attention to the

fact that a community is not made of houses, land and livestock, but it is made of men and women that make use of the opportunities that surround them, willing to do anything for the good of their community and the welfare of the people. He also stated that the greatness of California was not due to her beautiful scenery, her orange groves, nor her pike roads, but that it was due to the people who caught a vision of their own opportunities, and had realized the value of the things that surrounded them. He mentioned Bunyan's Pilgrim's Progress to illustrate the fact that opportunity lies in the heart of every man, if he would only make use of it.

On Saturday Mrs. Laws won an ever-lasting place in the hearts of the Tabor people through her splendid lecture on "A Woman's Work in the Community," and "A Labor Saving Kitchen." She said that a woman's work was to make a home, and the reason so many young girls, as well as our mothers, dreaded the house work, is because of the lack of conveniences. Illustrations were given by moving pictures, etc., showing how our mothers could save walking 1200 miles a year by a mere change and proper arrangement of her kitchen furniture. She said that our mothers were the most costly equipment of the home and they should be protected. On Saturday Mr. Mobley's lecture on "Soil and Soil Fertility," is believed to be one of the most helpful talks during the short course. This was a subject that the farmers of Tabor had been longing to hear discussed, as they realize that the soil in their community is gradually decreasing in fertility. Mr. Mobley said that agriculture was a very serious problem, but somehow the American people had neglected the soil to such an extent, that the fertility had disappeared like the water which had been thrown from a bucket. The three essentials to a fertile soil he said are: Livestock farming, rotation of crops, and legumes.

Mr. A. K. Short of A. and M. College delivered a lecture in which he said, he thought it our duty to take care of the fertility of the soil for the next generation, so the land would be worth all the hard-work trying to make a crop.

The Tabor people showed their appreciation of having Mr. Mobley and Mrs. Laws with them by a banquet in their honor on Saturday evening. Those present were: Mrs. Bertha Dahl Laws, Mr. H. S. Mobley, Miss Mary Locke, Rev. and Mrs. King Vivion, S. E. Eberstadt, Walter Armstrong, J. L. Cobb, Paul Dunkle, A. K. Short, A. W. Buchanan, G. M. Ammons, Eck Smith, G. P. Edge and C. L. Beason. Mr. Eberstadt was elected toastmaster after making a splendid talk, he called on those that were present for a few words. When Miss Mary Locke had finished her little talk, she presented a dozen red carnations to Mrs. Bertha Dahl Laws, with compliments from the Tabor Woman's Club. The short course closed Saturday night with a lecture by Mr. Mobley on "Better Rural Schools." He said that a real education consisted of three things: The acquisition of knowledge, the relating of this knowledge to the real things and needs of everyday life and the power to do with willing hands what one thinks is noble and true. Mr. Mobley stated that our schools should use the community as a library, from which much useful information and interesting work could be found. He congratulated the people of Brazos county in their efforts put forth to secure the vocational agriculture teachers. He complimented the Tabor people for their desire to improve the fertility of the soil, better roads, schools, churches and a better community for the younger generation. The short course gave every Tabor man, woman and child attending a stronger determination to help put into practice the Tabor motto: "Live and Help Live."

**MR. SMITH ANNOUNCES FOR TAX COLLECTOR**  
I take this method of announcing my candidacy for tax collector of Brazos county subject to the action of the democratic primaries in July. I was born and reared in Madison county and have been a citizen of Brazos county for four years. I promise if elected to fill this office to the best of my ability and feel that I am able to discharge its duties faithfully. I will appreciate your support and influence in the election. OLLIE SMITH (Political advertisement)

**MRS. WILSON ANNOUNCES.**  
Mrs. Dora E. Wilson announces for the office of County Treasurer subject to the action of the Democratic Primary to be held in July of this year. Mrs. Wilson is a native of Brazos County having received all her training and education in the County and City Schools of the County, she has held the office one term, and has made good. The funds of the County have been handled by her as directed by the Commissioners Court, and her books are correct; and the people of the County can congratulate themselves upon having a good and efficient County Treasurer and will make no mistake in re-electing her to the office.

Messrs. Batts and Harris Return.  
Messrs. J. W. Batts and C. H. Harris, representing the Automatic Electric Shoe Polishing Co., of Bryan, have returned from Hearne and Cameron where they went in the interest of the company and are pleased with the outlook.

## INTERSCHOLASTIC MEET OF BRAZOS COUNTY

The Brazos County meet of the interscholastic League will be held next Friday and Saturday, March 31st and April 1st. The contests in declamation, spelling, essay writing and debate will be held at the court house beginning at 1:00 p. m. Friday. The athletic events will be held Saturday at the Allen Academy grounds.

..Candidates cards printed on short notice at Eagle office.

**MR. HAYS RETURNS.**  
Mr. M. E. Hays, of the A. and M. Extension Service, has returned from Sulphur Springs and brought us many good messages from very dear friends—County Agent W. W. Evans, County Judge Homer L. Pharr, Representative Clifton E. Beasley and others. He had a profitable trip over in that great county.

**FINE RAIN IN BRAZOS COUNTY.**  
A fine shower of rain fell over Brazos County at an early hour Saturday morning. The sun came out. Land in Brazos is in a fine state of cultivation and crops are good. May they continue until the harvest.

## Pure Mebane COTTON SEED

FROM A. D. MEBANE, LOCKHART, TEXAS

Per Bushel

**\$1.75**

## LITTLE STORIES ON COLLEGE AND BRYAN

(By J. S. McNeel, Jr.)  
Sam Downard, the efficient manager of the James Drug Store, has "fallen down" as a "woman-hater." He was seen taking a "dizzy blonde" to see the movie "Love's Redemption" the other night.

J. T. Caffey carries a "wallop" in both "breedhooks" the boys who have mixed it with him say.

A. C. Taylor the "wise man" of the Snell Post veterans is learning to dance. He is teaching his wooden leg all the new steps.

The Extension Service Club will meet with Mrs. T. O. Walton on College campus Thursday, March 30, at 3 p. m.

## PERSONAL MENTION

(From Wednesday's Daily).  
Mr. Allen Carr was among the visitors in Houston on Tuesday.  
Mrs. M. J. Parker received a telegram Tuesday that her grand-daughters, Mrs. H. J. Schaffley of Carlyse, Thursday for a visit. These two girls, and Mrs. Lyman J. Spaulding of New York would arrive in Bryan on a visit. These two charming young matrons having been born and reared in Bryan have many friends who hail their coming with delight.  
In the future the Green Parrot will be open Sundays. An old fashioned Sunday dinner will be served April 2nd.  
Genuine Dwarf Squaw corn seed at Hensarling's. Phone 235.  
S. L. Boatwright has returned from a visit to Waco.  
Dr. A. L. Mondrick is in New Orleans on professional business for a few days.  
Two cars ear corn on track in front of our store. Buy it now. P. H. Hensarling, phone 235.  
Mr. O. L. Tabor, of Wixon Lake, was in town Tuesday and paid the Eagle an appreciated visit.  
The squaw corn has come. P. H. Hensarling. Phone 235.  
Mr. and Mrs. D. Mike made a business trip to Hempstead and Courtney Tuesday.  
Car maize heads just came in. Phone us now. P. H. Hensarling, 235.  
Prof. W. L. Powers, who has been seriously ill, is improving.  
Oak McKenzie has returned from Galveston with his little son, Oak, Jr., where he underwent examination. The child will be taken back to Galveston for an operation in a few weeks. He is doing very well.  
Car load red top and amber sorghum seed now on track. P. H. Hensarling. Phone 235.  
Little baby Katherine, daughter of Mr. and Mrs. Lawrence Parker is ill with whooping cough.  
Mrs. P. S. Park was hostess for the Embroidery Club Tuesday afternoon at her home.  
Mrs. Linnton Robinson who has been quite ill for some time is reported greatly improved.  
Cashier W. H. Cole, of the City National Bank, is confined at his home on account of illness. He went home from the bank this morning.  
Sheriff L. E. Morehead was called to San Antonio on official business from Houston and is expected home tonight.  
FOR SALE—We have now in transit three cars Maize Heads and two cars ear corn. P. H. HENSARLING, Phone 235.  
R. S. Webb, Jr., is in New Orleans for a brief visit.  
FOR SALE—Car sorghum seed red top and amber, now on our track. P. H. HENSARLING, phone 235.  
It is reported that a decided improvement is noted in the condition of Mrs. J. T. S. Park, who has been so seriously ill for the past several days.  
Mr. and Mrs. R. S. Webb are in New Orleans for a few days.  
FOR SALE—One car Maize Heads, just came in. Phone 235. P. H. HENSARLING.  
The Eagle acknowledges a thoughtful remembrance from Mayor Tyler Haswell—the proper thing at the proper time.  
D. E. Dowling of Millican is a Bryan visitor today and made the Eagle office an appreciated call.  
Professor and Mrs. C. E. Bobo of Tabor community were in Bryan Wednesday morning.  
Professor and Mrs. J. Horace Kraft and Mr. B. Shisa all of College were in Bryan today on business.  
L. M. Haste of the Brazos Bottom paid the city a visit Wednesday in spite of the rain.  
FOR SALE—We have two cars ear corn on track in front of store. Better buy now. P. H. HENSARLING, Phone 235.  
How are you to be known as a live dealer if you do not advertise?

## CHAMBER COMMERCE WILL ESTABLISH THE BRYAN TOURIST CAMP

In the absence of President W. H. Cole, who is ill, Vice-President Jno. M. Lawrence presided over the meeting of the board of directors of the Bryan and Brazos County Chamber of Commerce, Secretary S. E. Eberstadt at the desk. Those present were: Dr. W. B. Bizzell, W. S. Barron, Wilson Bradley, J. N. Dulane, Mayor Tyler Haswell, M. L. Parker, John M. Lawrence, Oak McKenzie, Major L. L. McInnis, Lee J. Rountree, A. M. Waldrop, M. E. Wallace and D. L. Wilson.  
In the absence of Chairman J. M. Gordon, of the membership committee, Secretary Eberstadt reported the following new members: J. R. McKee, A. Mitchell, J. C. Maigne, Jno. W. Patton, Chas. Marten, W. A. Duncan and Reed's Cash and Carry Store.  
County Superintendent Eck Smith, representing the Brazos County Interscholastic League, asked the Chamber of Commerce for a donation for medals for the winners in the county meet to be held in Bryan at the Allen Academy field. The motion was referred to the Finance and Educational Committee for immediate action. Chairman Oak McKenzie of the City Development Committee and Chairman W. S. Barron of the Highway Committee, were granted further time in the Tourist Camp question.

Dr. W. B. Bizzell, president of A. & M. College, stated that he had read in the Bryan Eagle that Thomas Raynor, a native of Bryan, had won great distinction at Harvard University and moved that a committee be appointed to draft resolutions of commendation and appreciation for the splendid achievement. President Lawrence appointed Dr. W. B. Bizzell and Lee J. Rountree to prepare a suitable resolution to be signed by Secretary S. E. Eberstadt and forwarded to Mr. Raynor at Harvard University.  
Secretary Eberstadt reported that two solicitors for advertising scheme, were refused endorsement by the committee and were forced to leave town without getting any business as their promotions were regarded as unworthy. Five girls were in Bryan soliciting subscriptions for magazines and periodicals to secure scholarships but were not approved. Secretary Eberstadt stated twenty-eight girls were here in the past four months but they did not have satisfactory recommendations and credentials.

After general discussion of general matters by Dr. W. B. Bizzell, Mayor Haswell, A. M. Waldrop, Major L. L. McInnis, Jno. M. Lawrence, W. S. Barron and other meeting adjourned until next Monday morning.

Mrs. George Foster of Brazos Bottom was the guest of her parents, Mr. and Mrs. W. P. Prant today.  
Louis Cook and John Lavender, of Martin's Prairie, Grimes County, were in Bryan on business today.  
Coach D. X. Bible, of College, was in Bryan today. He has just returned from his trip East where he attended the meeting of the Athletic Coaches of the United States.

If you buy chicken feed, see Hensarling, he has just received a car load. Phone 235.

**BRYAN MUSICIANS HONORED**  
Bryan musical talent has been honored by an invitation to appear on the "Guests' Night Program" of the Spring Musical Festival in Navasota, April 15th to 18th inclusive. Mrs. Hendricks Conway, Miss Sara Williams, Mrs. W. C. Davis and perhaps others have been asked to contribute to the program of the evening, and Bryan is proud to know that her local talent is so attractive that Navasota has called it this year. Mrs. Ed. Leach of Navasota is chairman of program for the evening.

## DIRECTORS OF BAND URGED TO HEAR BIG CONCERT THURSDAY

All directors of the Bryan Junior Band and all patriotic citizens are urged by Manager George J. Nedbaek to be present at the big concert to be given in the city auditorium in conjunction with a program of boxing scheduled by the John N. Snell Post, Disabled Veterans of the World War, next Thursday night at 7:00 o'clock. The concert will be presented by about 38 of the more than 50 members of the band and Mr. Nedbaek promises an excellent entertainment for those who like to hear good stirring band music and for those who are interested in encouraging the boys' band here. "A city is known by its band," said Mr. Nedbaek Tuesday. "San Antonio has her Banda Juvenil, composed of young Mexicans of the city; Austin has the University of Texas Longhorn band; College Station has the Aggie band. Bryan has the Junior band, which I think can compete with any one of these organizations." The boys practice faithfully every Monday and Thursday nights of each week and the band made a distinct "hit" at Franklin on Trade Day. They featured the day, and many citizens told the members that when they heard the music begin they forgot the Trade Day celebration entirely and listened to the boys play.  
Everybody is urged to come to the City Hall auditorium and hear the city's "own" band, which helps advertise Bryan. The Snell Post Veterans have completed making the matches for the boxing that will follow the concert. There is no admission. Two matches have been made between members of the post besides a "batle royal" participated in by five husky young negroes.

## MUSIC FOR MEMORY CONTEST ANNOUNCED

Miss Ruth Curry Lawler, supervisor of music of Bryan High school states the list of records to be used in the Music Memory Contest is now complete. Below is a list of same which will no doubt prove of interest, especially to the Parent-Teachers Association and the contestants of Bryan:

Angel's Serenade—Gaetano Braga, Funeral March—Chopin, Perpetual Motion—Paganini, The Two Grenadiers—Schumann, Selection-Traviata—Verdi, "La Boheme" Musetta Waltz—Puccini, To Spring—Grieg, Last Rose of Summer—from "Martha", Toreador Song—from "Carmen" Bizet, Quartet in C major—Beethoven, Lucia Laurie—Donizetti, Rigoletto Quartet—Verdi, O Solo Mio—Italian Folk Song, Hungarian Rhapsody No. 2—Liszt, Rustle of Spring—Sinding, La Paloma—Yradier, Morning from Peer Gynt—Grieg, Polonaise Militaire Chopin, Waltzing Doll—Peldini, Selection from Madame Butterfly—Puccini, To a Wild Rose—MacDowell, An Old Trysting Place—MacDowell, From An Indian Lodge—MacDowell, Stars and Stripes Forever—Sousa, Deep River—American Negro Folk Song, Humoresque—Dvorak, Polish Dance—Scharwenka, Unfold Ye Portals—Gounod's "Redemption", Angels Ever Bright and Fair—Handel, Eighth Symphony, 2nd. movement—Beethoven, Souvenir—Drdla, My Old Kentucky Home—Foster, The Death of Ase—"Peer Gynt"—Grieg.

**COLLEGE Y. M. C. A. GIVES A GOOD ENTERTAINMENT**  
The College Y. M. C. A. will entertain the Juniors Thursday at 8 o'clock. The program will be varied and will start with two one act plays, entitled, "The Maker of Dreams" and "The Matrimonial Fog". The cast for these plays will be composed of bachelors and their student and Bryan friends. Lindsay will produce one of his hair-raising hypnotic effects while Miss Julia Ball has consented to sing during the intermission. The band orchestra will be on hand to render several musical selections. Refreshments will be served on the third floor after the plays have been given. It is expected that every junior who can will get a date, but the whole class is invited regardless of whether he has a date or not. In order to assure the conviviality of the occasion and to carry out the April Fool eve idea, it is expected that a large number of stags will be on hand. The plans are to start at 8 o'clock sharp and after an informal introduction to conduct the guests to the parlor where the stage setting has been placed. At about 9:30 the setting will be changed to the third floor for refreshments and games. The party will close in time to allow recuperation for Friday's classes and the 10:30 car to Bryan.

**LITTLE STORIES ON COLLEGE AND BRYAN**  
(By J. S. McNeel, Jr.)  
Sam Downard, the efficient manager of the James Drug Store, has "fallen down" as a "woman-hater". He was seen taking a "dizzy blonde" to see the movie "Love's Redemption" the other night.

J. T. Caffey carries a "wallop" in both "breedhooks" the boys who have mixed it with him say.  
A. C. Taylor the "wise man" of the Snell Post veterans is learning to dance. He is teaching his wooden leg all the new steps.

The Extension Service Club will meet with Mrs. T. O. Walton on College campus Thursday, March 30, at 8 p. m.

## BRAZOS COUNTY BOYS AND GIRLS CLUB DEPT.

Club Notes and Farm News by County Agent C. L. Beason

The Smetana boys and girls club went into organization last Friday by electing the following officers: Louis Wehrman, president; Miss Annie Cahill, vice president; Miss Richard Smith, secretary; Louis Fachorn, yell leader; Prof. J. J. Haisler, club leader. More than 30 of the Smetana boys and girls will enter the club work this year to win some of the handsome prizes offered for club activities. A social meeting of the Smetana Consolidated School next Friday night. Better keep your eye on the Smetana Club. The boys from that school won 6th place in the stock judging contest at Fort Worth Fat Stock Show.

Since the clover has sprung up a number of cattle have been reported as having bloated, and it frequently happens that some good cows are lost in Bryan from this cause. It seems that the danger from eating clover is greatest when the dew is on, or just after a rain. Usually relief can be given the cow by tying a stick about the size of a chair post in her mouth, causing her to belch which gives relief. When the pressure on the stomach becomes so great that the animal can not walk, it is often necessary to resort to paunching, but to do this better call a veterinary and call him quick. Cattle pastured on clover for some time are not so apt to be affected with bloating, it is claimed.

Mrs. G. W. Emory has been having some good terracing done on her farm near Prospect on the Kurten road. Terracing is being recognized as one essential necessary to soil building, and the wise farmer yet devised to check soil erosion. Watch the farms that have been properly terraced increase in fertility. Occasionally, the strongest terrace will break under the load of a cloudburst or torrential rains. Sometimes a railroad dump washes out, but the railroad is not abandoned; the break is mended and made stronger than before.

Ask R. L. Jones on Route 6 what he thinks about terracing, even on sandy land, and that is the hardest to make stand.

The Tabor Boys' and Girls' "Victory" Club, under the leadership of Mr. E. C. Martin and Miss Mary Locke, had a most interesting meeting last Wednesday afternoon outlining plans for the year.

County Agent Beason will take luncheon with the Steep Hollow Club boys and girls on Wednesday of this week. Steep Hollow has the distinction of having the first club member to enroll in Texas this year, and Curtis Bullock is the member. The county agent rushed the membership card to the College in order to make it the first. Keep it first in everything.

Ezra Bozeman, Tabor club member living at Zack sends in the following data on 30 S. C. White Leghorn pullets: "Since the 25th of February they have laid 749 eggs. In 30 days have fed \$4.05 worth of prepared feed. Have sold \$14.05 worth of eggs, have our incubator setting with 260, and have set two hens. We have many eggs to eat at home. We have lots of orders we are unable to fill at present." (Signed) EZRA BOZEMAN, Club Boy.

Thank you, Ezra, for this good report. It will be interesting reading for the scores of poultry club members throughout the county.

Mr. Will Conaway, a progressive young farmer and breeder of standard bred R. I. Reds in the Independence community, was delivering eggs to hatchery on Monday. Quite a difference in selling eggs at five cents a piece and twelve cents a dozen. A check for ten or fifteen dollars each week for eggs is almost like "getting money from home."

Tommie Peele, superintendent of the Deming farm at Valley Junction, was in Bryan Monday, visiting the hatchery, Bryan Floral Company and shopping in town. When Mr. Peele was told he could not get baby chicks before May, the county agent directed him to Will Jones' ad in the Eagle and soon baby chicks were purchased and the "money changed hands."

The Tabor Short Course, held under the auspices of the Tabor Welfare Club and conducted by specialists of the International Harvester Company and the Extension Service of the A. & M. College of Texas, continues to bear fruit. At the opening of the short course County Agent C. L. Beason offered a prize to the club member who would write the best story of the short course. Four splendid stories, marked A, B, C and D were handed in and turned over to S. E. Eberstadt who has pronounced B the winner. It is learned that Miss Hettie Francis, reporter for the Tabor club, is author of the prize winning story, because of its excellence, is herewith reproduced:

**Tabor Short Course.**  
(Miss Hettie Francis)  
Owing to the unfavorable weather and bad roads our crowds at the Tabor Short Course were not as large as we expected, but we believe that we can pronounce the short course a decided success. Besides the part of the program that the Tabor school had prepared, there were splendid lectures by Mr. H. S. Mobley and Mrs. Bertha Dahl Laws, of the International Harvester Company, and Mr. A. K. Short, of A. & M. College. On Friday night Mr. Mobley delivered a lecture on "Communities Are Made of Folks," calling our attention to the

fact that a community is not made of houses, land and livestock, but it is made of men and women that make use of the opportunities that surround them, willing to do anything for the good of their community and the welfare of the people. He also stated that the greatness of California was not due to her beautiful scenery, her orange groves, nor her pike roads, but that it was due to the people who caught a vision of their own opportunities, and had realized the value of the things that surrounded them. He mentioned Bunyan's Pilgrim's Progress to illustrate the fact that opportunity lies in the heart of every man, if he would only make use of it.

On Saturday Mrs. Laws won an ever-lasting place in the hearts of the Tabor people through her splendid lecture on "A Woman's Work in the Community," and "A Labor Saving Kitchen." She said that a woman's work was to make a home, and as well reason so many young girls, as well as our mothers, dreaded the house work, is because of the lack of conveniences. Illustrations were given by moving pictures, etc., showing how our mothers could save walking 1200 miles a year by a mere change and proper arrangement of her kitchen furniture. She said that our mothers were the most costly equipment of the home and they should be protected. On Saturday Mr. Mobley's lecture on "Soil and Soil Fertility" is believed to be one of the most helpful talks during the short course. This was a subject that the farmers of Tabor had been longing to hear discussed, as they realize that the soil in their community is gradually decreasing in fertility. Mr. Mobley said that agriculture was a very serious problem, but somehow the American people had neglected the soil to such an extent, that the fertility had disappeared like the water which had been thrown from a bucket. The three essentials to a fertile soil he said are: Livestock farming, rotation of crops, and legumes.

Mr. A. K. Short of A. & M. College delivered a lecture in which he said, he thought it our duty to take care of the fertility of the soil for the next generation, so the land would be worth all the hard-work trying to make a crop.

The Tabor people showed their appreciation of having Mr. Mobley and Mrs. Laws with them by a banquet in their honor on Saturday evening. Those present were: Mrs. Bertha Dahl Laws, Mr. H. S. Mobley, Miss Mary Locke, Rev. and Mrs. King Vivion, S. E. Eberstadt, Walter Armstrong, J. L. Cobb, Paul Dunkle, A. K. Short, A. W. Buchanan, G. M. Ammons, Eck Smith, G. P. Edge and C. L. Beason. Mr. Eberstadt was C. L. Beason.

## INTERSCHOLASTIC MEET OF BRAZOS COUNTY

The Brazos County meet of the Interscholastic League will be held next Friday and Saturday, March 31st and April 1st. The contests in declamation, spelling, essay writing and debate will be held at the court house beginning at 1:00 p. m. Friday. The athletic events will be held Saturday at the Allen Academy grounds.

Candidates cards printed on short notice at Eagle office.

**MR. HAYS RETURNS.**  
Mr. M. E. Hays, of the A. and M. Extension Service, has returned from Sulphur Springs and brought us many good messages from very dear friends—County Agent W. W. Evans, County Judge Homer L. Pharr, Representative Clifton E. Beasley and others. He had a profitable trip over in that great county.

**FINE RAIN IN BRAZOS COUNTY.**  
A fine shower of rain fell over Brazos County at an early hour Saturday morning. The sun came out. Land in Brazos is in a fine state of cultivation and crops are good. May they continue until the harvest.
